**Strategic Plan Priority:**

The item presented in this Board letter supports the Healthy, Safe, and Resilient Communities strategic priority of the County Strategic Plan as it is designed to meet the goal of providing access to quality healthcare required for our community to thrive.

**Discussion:**

The County of Ventura has provided support to the residents of the Veterans Home of California in Ventura (CalVet) since it opened in December 2010. The home is a 60-bed residential care facility for the elderly, also known as assisted living.

HCA provides inpatient, outpatient, and emergency care services to CalVet residents. The proposed agreement ensures that the medical expenses will be covered by CalVet if a resident does not have another method to pay for medical expenses. The agreement is for a three-year term effective December 1, 2023.

The portions of the agreement concerning compensation paid to HCA are exempt from disclosure under the Public Records Act (Health and Safety Code Section 1457 (c) (1)). If the Board would like further information regarding the rates, the original agreement is retained by Mike Taylor, HCA Chief Financial Officer.

This letter has been reviewed by the County Executive Office, County Counsel, and Auditor-Controller's Office. If you have any questions regarding this item, please call Paul Jaconette, MPH, Director of Strategy and Business Development at 805-677-5105.
