TO: Selection Committee of the Air Pollution Control Board

RE: Appointment Opportunity to Serve - APCB

My name is Pedro Chavez, and I'm honored to submit my **Letter of Intent** for your consideration to serve as a productive member of the Air Pollution Control Board.

As a Council Member and recently elected Mayor representing the people of Santa Paula, I'd like to serve and continue representing my constituents on issues that impact their lives.

Such an important issue is ensuring we advocate towards the protection of our air quality and its impact on human life through sound public policy practices. I currently serve on the Association of Water Agencies and it's important to have diverse representation that understands the importance of addressing air quality issues and their impact and relationship to our eco-systems.

You can reach me directly at 805.813.3670 or email [pchavez@spcity.org](mailto:pchavez@spcity.org) for additional questions about my letter of intent and my interest in serving on this Board.

Thank you for your kind and generous consideration to my request.

Respectfully yours,
