**Notice of Termination of Contract to Implement Cross-Connection Control
Program with Ventura County Water District 1, 17, 19, Lake Sherwood**

Dear Jean Fontayne,

Ventura County Environmental Health Division (Division) will be terminating the above-referenced contract effective July 1, 2025. Over the remaining term, this Division will cooperate to provide all records upon request that may aid in this transition.

The public portal Ventura County Citizen Access will remain active for a minimum period of three (3) years from the effective date of termination to continue to host historical backflow testing information in accordance with the requirements of the Cross-Connection Control Policy Handbook. Immediately upon termination of this contract, no new records will be permitted to be entered related to the testing of backflow prevention assemblies.

If you have any questions, please contact Ron Ventura at (805) 654-3519.

Warm Regards,

Ron Ventura, Manager
Cross-Connection Control Specialist
