To The Board of Supervisors,

I support the recommendation by Supervisors LaVere and Long to approve the county's contracts for upgrades and warranties for our election tabulation and mobile ballot printer equipment. I trust our County Clerk-Recorder Michelle Ascencion to run a professional and trustworthy election. I appreciate the emails and text notifications that alert me to when my ballot will arrive and confirmations that my ballot has been received and that my vote has been counted. It's the most reassuring feeling!
