Training: Training by VCAAA Registered Dietitian (RD) shall include, at a minimum, food safety (ServSafe) and prevention of foodborne illness. The RD will provide a yearly written plan for staff training that shall be maintained at each Senior Nutrition Program site, which shall include a minimum of four hours per year of training by the RD for paid and non-paid food service staff at each Senior Nutrition Program site. Training attendance records shall be submitted to VCAAA quarterly.

Nutrition Education Services for Participants: Nutrition education for program participants shall be provided at a minimum of four times per year. All training shall be conducted by the VCAAA RD who develops and maintains a yearly nutrition education plan. Nutrition education for congregate meal participants may include demonstrations, presentations, lectures and group discussions, all of which may be augmented with printed materials. Distribution of printed materials shall constitute nutrition education for home-

delivered meal recipients. Accurate training records shall be kept by each Contractor that indicate the type and duration of training. Training records shall be submitted to VCAAA on a quarterly basis to ensure training requirements are being met.

Records, Reports, Distribution of Information: In accordance with the VCAAA Contractors Manual and the Senior Nutrition Program Handbook, Contractor shall maintain current and accurate records on congregate and home-delivered meal participants as follows:

- (c) Contractors shall update the Nutritional Risk and ADL/IADL assessments for home-delivered meal recipients in AssureCare/Q annually.
- (d) Each SNP Site Coordinator shall use the Meal Registration forms to generate monthly rosters from AssureCare/Q for home-delivered and congregate meal recipients.

- (b) give the name of the entity, the address, and telephone number at which the supporting data is available and
- (c) include a statement that, "The conclusions and opinions expressed may not be those of the California Department of Aging and that the publication may not be based upon or inclusive of all raw data."

County's Procured Suppliers: Contractor may order supplies and meals from any of the County procured vendors, at the agreed upon price of the County's contract with each vendor. The five (5) procured vendors for the Senior Nutrition Program include: Azul Catering, Jordano's Foodservice, Revolution Foods, Ventura Harbor Restaurant, and Waterside Restaurant. All menus, meals and recipes of procured vendors must be reviewed and approved by the VCAAA RD.

Nutrition Services Requirements:

A waitlist shall be established whenever a Contractor is unable to provide home-delivered meals to all eligible participants. Waitlists must be pre-approved by the VCAAA. The decision to place an eligible individual on a waitlist and their ranking on that list shall be determined by greatest social and economic need.

Nutritional Requirements of Meals: Contractor will work with the VCAAA RD to ensure that each meal complies with the Dietary Guidelines for Americans (DGA) and provides 1/3 of the Dietary Reference Intakes. The DGA is jointly published by the U.S. Department of Health and Human Services and the U.S. Department of Agriculture. The Dietary Reference Intakes are reference values determined by the Food and Nutrition Board of the Institute of Medicine of the National Academy of Sciences.

NOTE: The designation of a focal point and a senior center depends on the array of services offered (see definitions below).

***Focal Point** – Facilities designated as focal points provide a comprehensive delivery of social services, such as information and assistance, recreation, nutrition, social, mental health, etc. They may house a variety of services in the same location (collocation) used by other providers of services to seniors. The federal Older Americans Act defines a focal point as a facility established to encourage maximum collocation and coordination of services for older persons.

****Senior Center** – The federal Older Americans Act defines a senior center as a community facility for the organization and delivery of a broad spectrum of services, including health, mental health, social, nutrition, educational services, and recreational activities for older individuals.
