Subject: Request for Appointment to the Remote Access Network (RAN) Board –
Mayor Representative

Dear Committee Members,

The Remote Access Network (RAN) Board would like to request the appointment of a mayor representative to the RAN Board. The law requires the appointee must be a mayor. The appointed member will fill the position that was recently vacated by Mayor Misty Perez.

The duties of the RAN Board include determining the placement of mobile and fixed location fingerprint identification equipment and developing procedures necessary to regulate the ongoing use and maintenance of equipment.

The RAN Board meets infrequently (once every two or three years). Because of this, the committee may wish to appoint someone with a longer term in office. Your attention to this matter is greatly appreciated. If you have any questions, please contact me at 805-662-6803.

Sincerely,

A handwritten signature in blue ink that reads "Michael J. Parigian". To the right of the signature, the date "12/30/24" is written in blue ink.
