I am writing to thank you for including Item 73 on your agenda to consider funding for the important work of the Conejo Community Outreach Diaper Bank.

My teenage daughter has spent the last 4 years as a weekly volunteer at the diaper bank helping to package and distribute the nearly 30,000 diapers to families in need every month. We have witnessed firsthand the incredible service that CCODB provides to our community.

Diapers and wipes are a significant expense for young families. The health of babies is dependent on access to a regular supply of clean diapers. We must continue to support the efforts of grassroots non-profits like CCODP who are doing the heavy lifting to meet these important needs.

I urge you to generously fund the efforts of CCODB.

Sincerely,
Cynthia Mayling
