Dear Supervisors:

I live in Newbury Park and want to thank Supervisor LaVere and Supervisor Long for recommending approval and authorization for the County Clerk-Recorder & Registrar of Voters to go ahead with agreements with Dominion Voting Systems Inc. in Ventura County and to upgrade voting equipment, our annual license and hardware warranties and extend the term of the agreements.

These steps are an important part of keeping Ventura County up to date with our secure and fair elections process. I am very grateful for the work the Board of Supervisors does to protect our voting systems.

Sincerely,  
Barbara Leighton
