Dear Board of Supervisors,

I am the mother of a 10 year old boy.

I'm writing in support of Agenda Item 73 - Funding for the Conejo Community Outreach Diaper Bank. Thank you to the board for supporting this volunteer-run nonprofit that provides diapers and wipes to vulnerable families in Ventura County.

I have personally seen the impact this nonprofit has made, especially throughout COVID, when they mobilized to provide support to more than 350 children each month, and still do each month. Recently, they achieved an incredible milestone: 1 million diapers and 2 million wipes distributed. Thank you to the board for recognizing the important contribution this nonprofit is making to help support families in our county with a critical need.
