2. Containment of Entire Agreement Herein - This Agreement supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to CONTRACTOR providing the subject services to AGENCY and contains all the covenants and agreements between the parties with respect to such services in any manner whatsoever. Each party to this Agreement acknowledges that no representations, inducements, promises or agreements, orally or otherwise, other than as set forth herein, have been made by any party or

anyone acting on behalf of any party to be charged.

In dealing with patients and in connection with any patient referrals or HOSPITAL admissions CONTRACTOR may make, CONTRACTOR is expected and required to act in accordance with the highest professional and ethical standards, in accordance with applicable laws, and in the best interests of the patient. Neither the compensation paid pursuant to this Agreement, nor any other consideration or remuneration to CONTRACTOR or otherwise, or to any member of CONTRACTOR's family, currently or in the future, is or will be based on any expectation of referrals, or on CONTRACTOR making or not making referrals to any particular person, entity or facility.

CONTRACTOR further agrees to hold AGENCY harmless from and to compensate AGENCY for any claims against AGENCY for payment of state or federal income or other tax obligations relating to CONTRACTOR's compensation under the terms of this Agreement. The foregoing hold harmless provisions would not apply with respect to a penalty, if any, imposed by any governmental agency without the fault of, or being caused by, CONTRACTOR.
11. Hold Harmless by AGENCY - Should CONTRACTOR be sued based upon actions of AGENCY, through no fault of and not due to actions of CONTRACTOR, or of CONTRACTOR's subcontractor, employees, or agents, AGENCY shall indemnify, defend and hold harmless CONTRACTOR, its shareholders, officers, directors, employees, agents, and subcontractors from any loss, cost, damage, expense or liability which may arise from any such suit.
12. Provision of Satisfactory Service - It is understood and agreed that CONTRACTOR is to assure that the work and services covered by this Agreement shall be performed and rendered in a competent, efficient and satisfactory manner and in accordance with all applicable laws and community standards. Any person acting pursuant to this Agreement must at all times be properly authorized in accordance with the bylaws, rules and regulations promulgated by HOSPITAL's Medical Staff, as applicable, and nothing in this Agreement affects or limits in any way the application or implementation of those bylaws, rules and regulations.

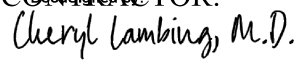

13. Dispute Resolution - The parties agree that disputes between them as to the interpretation of this Agreement shall be subject to the following procedures:

  - d. Each party shall bear its own attorney's fees and legal expenses related to any action involving this Agreement.
14. Confidentiality - In providing services pursuant to this Agreement, CONTRACTOR may obtain or have access to certain information and/or material which is properly confidential and which has not been publicly released by AGENCY. CONTRACTOR shall maintain confidentiality with respect to all such information and/or material and shall not disclose such information and/or material to any third party other than as necessary in connection with providing services under this Agreement or as may be otherwise legally required. Any disclosure shall be limited to the extent necessary and shall be accompanied by limitations or restrictions to preclude further disclosure and to preserve confidentiality to the extent reasonable and permitted under applicable law.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, Carahsoft OBO County of Ventura (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
