Ventura, CA 93009

Dear Jeffery S. Burgh:

In September 2015, the State of California approved Senate Bill 107, which guides the final technical steps in the dissolution of local redevelopment agencies. The legislation calls for counties with more than one oversight board to be consolidated into a single oversight board administered by the County Auditor-Controller's Office effective July 1, 2018. The legislation stipulated the number and types of members on each board. As Chancellor of the California Community Colleges, I am charged with the responsibility of appointing a community college representative to each oversight board.

Although David El Fattal was previously appointed for the Ventura Countywide Oversight Board, I hereby rescind that appointment and appoint Cathy Bojorquez to represent the interests of Ventura County Community College District effective October 9, 2023. Her contact information is below:

**Cathy Bojorquez, Interim Vice Chancellor, Business and Administrative Services**  
**Ventura County Community College District**

If you have questions regarding this appointment, please contact Xee Lor, Associate Governmental Program Analyst, College Finance and Facilities Planning Division, via email at [xlор@cccco.edu](mailto:xlор@cccco.edu) or via phone at (916) 327-5895.

Sincerely,
