Today, as the Board of Supervisors receives a report from the County Clerk and Recorder's office, I submit my full support for the Voter's Choice Act, adopted in Ventura County in 2023 and the opportunities it gives to all County voters to participate fully in the election process. The chance to vote by mail, to drop off ballots in secured locations on or before Election day or to visit the voting center of my choice to vote or to receive customer service are all essential to make voting as easy and convenient as possible for everyone.

Today, I appreciate that my County offers a myriad of options for me to cast my vote easily and conveniently!
