VENTURA COUNTY WATERWORKS DISTRICT NO. 1 (MOORPARK) PROPOSED INCREASES FOR THE SEWER RATE, AGRICULTURAL WATER RATE, AND POTABLE AND RECLAIMED WATER MONTHLY SERVICE CHARGES, TO TAKE EFFECT ON THE NEXT REGULARLY SCHEDULED METER READING AND BILLING CYCLE ON OR AFTER JULY 1, 2023

Commented [MK1]: This reads as though the potable and reclaimed water monthly service charges are increasing but in the Board letter it says these are being adjusted.

Commented [FJ2R2]: They are increasing. My explanation rational was that they were increased and are now being adjusted for other reasons, (1) ag glide path, and (2) incorrect increase applied to meters.
