Honorable Supervisors for the County of Ventura

I am writing in support of the Rubicon Theater and their programs that enrich our community. My husband and I are season ticket holders. It is one of several date nights we enjoy throughout the year. We give small donations from time to time but during the pandemic, we donated our full subscription.

We appreciate the high-quality stage productions. I am proud of the Rubicon's summer programs for students. What an opportunity for children through young adults to become exposed to professional actors and directors. I especially enjoy seeing the results from programs for play writers & developers. It's exciting to see the first production of a regional writer's or director's work.

I encourage you to support the arts and specifically the Rubicon Theater in Ventura County

Sincerely

Kathleen (Kappy) Paulson
