Re: Consent Item #12 BOS Meeting, July 24, 2024 - ROV Election Funding

To the Board of Supervisors of Ventura County, CA.

Please protect our electoral system in Ventura County. Please support the State Certified Voter's Choice Act. Please support Michelle Ascencion, our County Clerk-Registrar of Voters. Please support the ROV and approve the funding needed for the November 5th, 2024 General Election.

We have safe, secure and accessible voting in our county. There has been no legitimate evidence of widespread fraud in any of the approved methods of voting. Unfortunately, there is a small but vocal and organized group of misinformed people trying to bully their views on the Board of Supervisors and City Councils in Ventura County. Please do not be intimidated to make changes to the way we vote in our county.

This is how I feel right now. It's a Tom Petty song.

"Well, I know what's right,
I'll stand my ground
And I won't back down"

Many of us will be paying close attention to what the BOS will do next. Protect

our Vote.

Respectfully,

Jackie Dougherty
