In accordance with 42 C.F.R. 438.608(a)(8) and 42 C.F.R. part 455.23, in cases where there is a credible allegation of fraud for which an investigation is pending under the Medicaid program against CONTRACTOR or their network provider, COUNTY shall suspend all payments to CONTRACTOR, unless there is good cause not to suspend payments or to suspend payment only in part.
- S. COUNTY will not remit payment for any item or service furnished under this Agreement: (1) by CONTRACTOR or any individual or entity during any period when CONTRACTOR, the individual, or entity is excluded from participation under the Social Security Act, sections 1128, 1128A, 1156 or 1842(j)(2), (2) that is provided by any individual, entity, at the medical direction or on the prescription of a physician, during the period when the individual, entity, or physician is excluded from participation under titles V, XVIII, or XX or pursuant to sections 1128, 1128A, 1156, or 1842(j)(2) of the Social Security Act and when the person furnishing such items or service knew, or had reason to know, of the exclusion (after a reasonable time period after reasonable notice has been furnished to the person), (3) if the State has failed to suspend payments during any period when there is a pending investigation of a credible allegation of fraud against the individual, entity, or physician, unless the State determines there is good cause not suspend such payments, or (4) in respect to any amount expended for which funds may not be used under the Assisted Suicide Funding Restriction Act (ASFRA) of 1997.
- T. In the event that CONTRACTOR fails to comply with any provision of this Agreement, including the timely submission of any and all reports, records, documents, or any other information as required by County, State, and appropriate Federal agencies regarding CONTRACTOR's activities and operations as they relate to CONTRACTOR's performance of this Agreement, COUNTY shall withhold payment until such noncompliance has been corrected.
- U. CONTRACTOR hereby acknowledges that all claims for payment for services rendered shall be in accordance with Exhibit "I" (Certification of Claims for Payment for Services Rendered), attached hereto and made a part hereof by this reference.

- V. Notwithstanding any other provision of this Agreement, SD/MC services provided hereunder by CONTRACTOR, shall comply with and be compensated in accordance with all applicable Federal, State, and COUNTY laws, regulations, requirements, and any amendments or changes thereto, including but not limited to, DHCS SD/MC, Medi-Cal SMHS title 9, Chapter 11, DMH Cost Reporting Data Collection Manual, title 19 of the Social Security Act, title 22 of the California Code of Regulations, Section 51516, and policy letters issued by the DMH-DHCS, Program regulations and requirements as specified by DMH-DHCS. It is understood that such services will subsequently be billed by COUNTY for SD/MC FFP.
- W. CONTRACTOR shall ensure that all services provided under this Agreement which are eligible for SD/MC FFP reimbursement shall be reported to COUNTY in accordance with COUNTY reporting timelines, instructions, and formats. COUNTY in its sole discretion may withhold payment to CONTRACTOR if CONTRACTOR does not comply with such reporting timelines, instructions, and formats as required by COUNTY. COUNTY shall be responsible for billing the appropriate entity for reimbursement of the SD/MC services provided and reported by CONTRACTOR to COUNTY.
- X. CONTRACTOR understands and agrees that all SD/MC FFP revenue generated by the services provided by CONTRACTOR under this Agreement shall be reimbursed to COUNTY.
- Y. Notwithstanding any other provision of this Agreement, in no event shall COUNTY be liable or responsible to CONTRACTOR for any payment for any disallowed SD/MC services provided hereunder, which are the result of CONTRACTOR's sole negligence in providing SD/MC services under this Agreement. CONTRACTOR shall be required to fully reimburse COUNTY for any payment by COUNTY to CONTRACTOR that is subsequently disallowed through Federal, State, county or any other entity audit(s) or review(s) including any services that are disallowed for any reason by the VCBH Quality Assurance Division.
- Z. Claims deemed unallowable shall be subject to recoupment or recovery by the COUNTY.
- AA. CONTRACTOR shall not bill beneficiaries for covered services under a contractual, referral, or other arrangement with COUNTY in excess of the amount that would be owed by the individual if the COUNTY had directly provided the services (42 U.S.C 1396u-2(b)(6)(C)).
- BB. COUNTY and CONTRACTOR agree to meet on an ongoing basis to negotiate concerns related to this Agreement, including but not limited to treatment coordination, service utilization and outcomes, documentation and reporting requirements.

CONTRACTOR shall be paid according to the following:

A. PAYMENT

The maximum total amount for the services specified in this Exhibit "B-1," for the service period of July 1, 2023 through June 30, 2024, shall not exceed **\$43,097.** The funding sources for this Agreement could include Realignment and MHSA funding.

- B.** Payment shall be made upon the submission of approved invoices to COUNTY, and in accordance with the rate table (see Attachment A to Exhibit "B-1"). Notwithstanding any other provisions of this Agreement in no event shall the maximum amount payable herein, for the services specified in Exhibit "B," exceed the maximum amount specified in Section A above.
- C.** The CONTRACTOR shall bill COUNTY monthly in arrears by using the CONTRACTOR's invoice form. All invoices submitted shall clearly reflect all required information regarding the services for which claims are made, in the form and with the content specified by the COUNTY. CONTRACTOR shall submit appropriate documentation along with an invoice for reimbursement. Invoices for reimbursement shall be completed by CONTRACTOR, dated, and forwarded to COUNTY within ten (10) working days after the close of the month in which services were rendered. Incomplete or incorrect claims shall be returned to CONTRACTOR for correction and re-submittal and will result in payment delay. Late invoices will also result in payment delays. Following receipt of a complete and correct monthly invoice and approval by the COUNTY, CONTRACTOR shall then be paid within forty-five (45) working days of submission of a valid invoice to the COUNTY.
- D.** It is expressly understood and agreed between the parties hereto that COUNTY shall make no payment and has no obligation to make payment to CONTRACTOR unless the services provided by CONTRACTOR hereunder were authorized by the VCBH DIRECTOR or designee prior to performance thereof.
- E.** COUNTY shall have the right to recover overpayment to CONTRACTOR as a result of any audit or disallowance review under this Agreement. Upon written notice by the COUNTY to CONTRACTOR of any such audit or disallowance review, CONTRACTOR shall reimburse the COUNTY the full amount of disallowance within a period of time to be determined by the COUNTY. Reimbursement shall be made by the CONTRACTOR.

- F. Costs and/or expenses deemed unallowable shall be subject to recoupment. If the allowability or appropriateness of an expense cannot be determined because invoice detail, fiscal records, or backup documentation is nonexistent or inadequate according to generally accepted accounting principles/audit standards, all questionable costs may be disallowed, and payment withheld. Upon receipt of adequate documentation supporting a disallowed or questionable expense, reimbursement may resume for the amount substantiated and deemed allowable.
- G. In the event that CONTRACTOR fails to comply with any provisions of this Agreement, including the timely submission of any and all reports, records, documents, or any other information as required by COUNTY, State, and appropriate Federal agencies regarding CONTRACTOR's activities and operations as they relate to CONTRACTOR's performance of this Agreement, COUNTY shall withhold payment until such noncompliance has been corrected.
- H. COUNTY and CONTRACTOR agree to meet on an ongoing basis to negotiate concerns related to this Agreement, including but not limited to concerns regarding service delivery and outcomes, documentation and reporting requirements, financing, and revenue production.
