Dear Clerk of the Board,

I know I missed the deadline for commenting on today's meeting, but I want to go on the record that I support signing the contractual documents with Dominion Voting Systems to keep our voting equipment up-to-date. I appreciate the accessible, and vital all-paper ballots we use, as required by state law. Every election is critical, and I hope the board votes to maintain the integrity of our existing and trustworthy system of tallying votes.

Sincerely,

Gale Naylor  
Ventura resident since 2020
