Citizenship Fair

We started with two tents near the Oxnard College Bookstore in 2018

We provide free assistance with:

Citizenship applications

Green Card Renewals

DACA (Dreamer Renewals

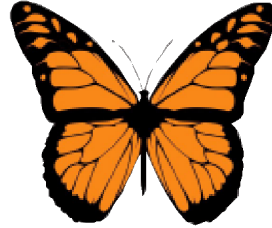

Voter registration

Selective Service forms

He came back to show us his Certificate of Citizenship!

Our team includes immigration professionals...

...and adult and student community volunteers.
Currently, high school students run our front desk,
fill out applications and organize our outreach efforts.

They are amazing and we write recommendation letters to colleges to tell them so.

In 2021, the Oxnard College Foundation gave us a HUGE space in front of the gym!

We invited agencies and organizations who could provide the other kinds of assistance people were asking for.
