RE: Announcement of Planned Action (Mass Layoff)

To whom it may concern:

This letter hereby gives notice that Lost Boys Interactive, LLC, with a principal place of business located at 6417 Normandy Lane, Suite 201, Madison WI 53719, will be laying off approximately 125 total employees. Please refer to the **Attachment** for more information and impacted employee locations. Local officials have also been appropriately notified. This mass layoff is expected to be permanent.

All affected employees have been notified in writing of their separation dates and that their separation of employment will be permanent at this time. Those employees are expected to be separated from employment beginning **March 15, 2024**. The attached list shows all affected job titles and the number of laid off employees for each job title. None of the affected employees are represented by a union or subject to a collective bargaining agreement.

There will not be any bumping rights for the affected employees, as such employees will not be able to displace more junior employees out of their job positions as a result of this mass layoff.

If you have any questions or want additional information concerning this matter, please contact Jessica Grube at jgrube@lostboysinteractive.com

Sincerely,

Lost Boys Interactive, LLC
