I support the county contribution of 25K to augment the resident contribution to satisfy the funding requirement to address the lack of county road access on Camp Chaffee Rd, and chronic flooding from Coyote Creek.

The county has been responsive and informative. Tremendous effort, expertise and resources have been applied by the county, neighbors, benefactors, and other agencies to get where we are. The neighborhood punches above its weight in fundraising, but we just need a boost to reach the target.

The proposed funding should be approved so the project plan can move forward.
