Recommendations

We recommend that your Board receive and file a presentation to recognize the members of the Second Cohort of Ventura County's Leadership Development Program for Managers, who graduated in June 2023.

Discussion

We are pleased to announce the graduation of the second cohort from the Leadership Excellence and Action Program, LEAP for Managers. The executive version of this program was developed in 2016 with your Board's support and at the direction of, and in collaboration with, the County Executive Office. This program is aligned with the County's strategic plan goals to develop "employees to become leaders who promote ethics, innovation, service, accountability, and peak performance." LEAP for Managers utilizes nationally recognized gold standards and has local thought leaders as faculty.

LEAP for Managers primarily targets mid- to lower-level managers and is designed to enhance their effectiveness and to prepare them for advancement. It provides emerging leaders with an effective skillset designed to enhance the countywide organizational culture. Specifically, LEAP for Managers' goals are to:

1. Build internal leadership capacity;
2. Increase employee accountability;
3. Develop self-awareness of leadership competencies and impact on others;
4. Maximize employee engagement; and

5. Build dependable relationships across agencies and departments.

LEAP for Managers is a three-month program with eight half-days of learning covering six content areas. The essential components of LEAP for Managers include: 1) Employee Engagement; 2) Emotional Intelligence; 3) Strategic Leadership; 4) Crucial Accountability; 5) Diversity, Equity, and Inclusion for leaders; and 6) 360-degree assessment.

Because the program is customized to meet the needs of the County and facilitated by County and local subject matter experts, it is a highly effective developmental tool, and provides cost savings when compared to similar outsourced programs.

We are pleased to announce the names of the following graduates from the LEAP for Managers first cohort:
