Supervisors,

As a resident of Ventura County's Third District I am very aware of how these "projects" that are damaging to our health and the environment so often are plopped in the communities that can least afford to move away or do anything to mitigate the damage. I urge you to oppose the proposed giveaway to Oil and Gas companies. Let's honor the voice and public health of our community by protecting the Ventura County 2040 General Plan. Uphold government integrity, prioritize our health, and respect the voice of our community - vote no.

Respectfully,

Janey Muñoz
