---

**Article 19, Sec. 8119-1.1.2 – Purpose and Objectives** (Old Town Saticoy Development Code) of the Ventura County Ordinance Code, is hereby amended so that the first paragraph of Sec. 8119-1.1.2 reads as follows:

The purpose of and zoning regulations for ~~All zoning regulations associated with the Industrial Park (M1), Limited Industrial (M2), and General Industrial (M3) zones are located in Sec. 8104-5~~ the NCZO.

*[Staff Explanation: After the Planning Commission hearing on April 6, 2023, staff identified a minor revision necessary to Section 8119-1.1.2. The proposed revision amends references to “Section 8104-5” to “the NCZO” and provides clarity that the purpose statements and zoning regulations for the M1, M2, and M3 industrial zones within the Saticoy Area Plan boundary are set forth in various provisions of the NCZO, not just in what was formerly identified as Section 8104-5.]*
