I'm writing to lend my support to the Voter's Choice Act, that was adopted in Ventura County in 2023. This act gives us voters the opportunity to fully participate in the election process.

Being given the choice to vote by mail, to drop off my ballots at a drop-in box in a secured location, even before the election. This makes voting safe, secure and easy for us.

I feel that this gives us county residents an opportunity to vote, contribute to our elections with ease.
