PERFORMANCE BOND

Within ten (10) working days of COUNTY's final execution of the Agreement, the Company shall file with the Integrated Waste Management Division (IWMD) a surety bond satisfactory to the IWMD in the amount and for the purposes noted below. Bond shall be duly executed by a responsible corporate Surety, authorized to issue such bonds in the State of California and secured through an authorized agent with an office in California. The Company shall pay all bond premiums, costs, and incidentals.

The bond shall be signed by both the Company and Surety and the signature of the authorized agent of the Surety shall be notarized.

The Company shall provide a good and sufficient surety bond. The "Performance Bond" shall be for one hundred thousand dollars (\$100,000.00) to guarantee faithful performance of all work, within the time prescribed, in a manner satisfactory to the IWMD, and that all Household Hazardous Waste Program services will be completed.

Should any bond become insufficient, the Company shall renew the bond within ten (10) days after receiving notice from the IWMD.

Should any Surety at any time be unsatisfactory to the IWMD, notice will be given to the Company to that effect. No further payments shall be deemed due or will be made under the Contract until a new Surety shall qualify and be accepted by the IWMD.

Changes in the work, or extensions of time, made pursuant to the Contract, shall in no way release the Company or Surety from their obligations. Notice of such changes or extensions shall be waived by the Surety.
