Discussion:

In December of 2013, the Sheriff's Special Services Bureau was contacted by the U.S. Department of Homeland Security (Border Protection) and the San Diego County Sheriff's Department and asked to assist in a regional joint operations task force.

Ventura County's location in relation to the southern border and our remote beaches make the county a prime location for maritime drug smuggling. Drug trafficking organizations are also using our marinas and ports to launch pleasure crafts to smuggle

illegal drugs into Ventura County or to support panga boats that are out at sea by supplying fuel or provisions so they can advance their smuggling missions into the United States. Each year the Sheriff's Office recovers several panga boats that are left abandoned on the shores after their contraband has been offloaded.

On November 16, 2021, this Board approved the Sheriff's Office to enter into an agreement and accept \$800,000 from the U.S. Department of Homeland Security for fiscal year 2020 Operation Stonegarden. These funds were expended pursuant to the agreement. On February 21, 2023, an additional \$400,000 was approved to supplement overtime and patrols to prevent maritime smuggling and the transportation of illegal drugs into Ventura County.

Per the Agreement (attached as Exhibit 1 hereto), the San Diego County Sheriff's Department, using funds from the U.S. Department of Homeland Security (Border Protection), will reimburse the Ventura County Sheriff's Office up to \$400,000 for the term of this Agreement for overtime associated with this joint operations task force. The overtime will be exclusively used for the prevention and enforcement of drug smuggling into Ventura County and will be compliant with the California Values Act. The term of this Agreement runs retroactively from September 1, 2020 through May 31, 2023.

The offices of the County Executive, County Counsel and the Auditor-Controller have reviewed this letter. If you have any questions, please contact Assistant Sheriff Victor Fazio at (805)383-8785.
