I fully support California's Voter's Choice Act and strongly encourage the Ventura County Board of Supervisors to continue participating in this program to ensure increased voter participation in all our elections. I would even go further and make voter participation a *requirement* for all U.S. citizens! Democracy will flourish only if citizens take seriously their right to a say in their government, i.e. the right (and obligation) to vote.

Sincerely,
Ursula Britton
Ventura 93003
