Dear Supervisors,

Your Harbor Director Michael Tripp has worked very hard to bring this Channel Islands Harbor amazing lessee to your review and vote today.

I ask that the Ventura County Board of Supervisors approve the Lease Option Agreement for Karls' themed village development at Fisherman's Wharf as recommended by the Harbor Director.

I have watched over this harbor for years and am happy to see that a German company has chosen our harbor -the 5th largest in the State of California, to launch its flagship American development.

This is quite an endorsement for Ventura County.

Karls will provide a unique, wholesome, affordable, fun place for the County's families and visitors to enjoy at the harbor.

Thank you for your oversight and I encourage the Supervisors to celebrate this victory with the citizens and Karls.

Kind Regards,
