### **DISCUSSION:**

UHC is a managed health care company with which the County of Ventura has maintained a long-term relationship. The County of Ventura and UHC have finalized negotiations extending the current contract through September 30, 2025. The contract provides for rate increases every year for three years.

The primary change in the attached amendment is to establish reimbursement rates for the third year of the contract effective October 1, 2024 which were just negotiated. Additionally, as amended the Agreement will apply to all UHC insurance products.

The portions of the Agreement concerning compensation paid to HCA are exempt from disclosure under the Public Records Act (Health and Safety Code Section 1457 (c) (1)). If the Board would like further information regarding the rates, the original Agreement is retained by Mike Taylor, HCA Chief Financial Officer.
