I would like to thank the Board for this agenda item and I would like to add my support for the diaper bank. Conejo Community Outreach is doing amazing work in our community and I would like to see it benefit even more babies in our community and throughout Ventura County. As a volunteer in our community I have seen the results of this wonderful organization.

The diaper bank is 100% volunteer-run and they currently provide diapers and wipes for 350 children each month. This is awesome work. Please consider supporting this nonprofit that is so valuable in our community and in the lives of babies and their families.

Thank you,
Elizabeth Hoskinson
