Dear Supervisors,

I am writing to strongly OPPOSE the Cooperation agreement between the county and the City of Oxnard Approval and Adoption of a Master Tax Sharing Agreement Between the County, The development is the wrong solution for our community as revealed in the survey responses shared from the Survey Monkey report. I overwhelmingly disapprove of this type of development in our neighborhood. And we question why this development is being forced on our neighborhood when we have continually written to oppose a Children's amusement park.

I request that you REJECT the proposed Amendment to the Lease Agreement Between the County and City of Oxnard for the Channel Islands Harbor Fire Station Site and listen to the community.

Thank you,  
Judy Van Wyk
