Dear Board of Ventura,

I am an American citizen of the United States of America. I always thought, no matter what goes wrong in my life, at least I live in America, and thus, I am free to live, vote, and participate in a free and solid society which includes the judicial/voting system. I no longer feel that way.

I urge you to reconsider our voting system and return to the ethics of prior voting years in America:

[We need one day voting only, preferably make it a holiday](#)

[We need hand count audit ONLY, no electronic tabulation at all or drop boxes](#)

[Clean voter rolls, preferably before Election Day](#)

[ID's to vote and proof of citizenship of voters in Ventura County](#)

Thank you for considering my request.

Respectfully,

Frieda Brock
