I'm writing in support of the Karl's development and request that the Ventura County Board of Supervisors approve the Lease Option Agreement with Karl's for the development of Fisherman's Wharf.

This project will provide a much needed recreational venue for local Ventura County families as well as create a destination for visitors to enjoy the Channel Islands Harbor and its many resources.

I applaud the Harbor Director for all of his efforts in bringing this possibility to fruition after years of neglect and blight of Fisherman's Wharf. This is a positive and exciting opportunity to renew pride and economic growth for the Harbor.

I implore you to use your vote and power to make this happen.

Respectfully,

**Carol Taylor**
