Hello,

I am writing to express my support for the Karl's development at Fisherman's Wharf. I wasn't excited at first, but now I see the vision and think it fits the needs of the community and will be a terrific attraction for both tourists and visitors!

This area used to be so vibrant (I've been here 30+ years) and I hope to see it well-cared for once again. Kudos for moving forward with the visionary process.

Thank you,
