Dear Supervisors,

As a lifelong resident of Ventura County, I'm appalled by the proposal to give in to Big Oil. Please reject this Oil settlement and defend our 2040 General Plan. Our community's integrity, health, and voices are at stake. When will money stop being the driving force behind decisions in this county. Health and environmental concerns should be first and foremost thought in decision making. Stop giving in to Big Oil.

Thank you,

Glenn Goveia
