Emergency Medical Services Week in Ventura County

Whereas, Emergency Medical Services (EMS) are a vital public service and the members of Emergency Medical Services teams of Ventura County are ready to provide lifesaving care to those in need 24-hours a day, seven days a week; and

Whereas, access to quality emergency care dramatically improves the survival and recovery rate of those who experience sudden illness or injury; and

Whereas, Emergency Medical Services has grown to fill a gap by providing important, out of hospital care, including preventative medical education and activities, life-saving and time-critical interventions, and acute and non-acute medical services; and

Whereas, the Emergency Medical Services system consists of first responders, emergency medical technicians, paramedics, emergency medical dispatchers, administrators, emergency nurses, emergency physicians, pre-hospital educators, trained members of the public, and other out-of-hospital medical care providers; and

Whereas, the members of emergency medical services teams, whether career or volunteer, engage in thousands of hours of specialized training and continuing education to enhance their lifesaving skills; and

Whereas, this year's EMS Week theme is "Honoring Our Past, Forging Our Future", it is appropriate to recognize the value and the accomplishments of Emergency Medical Services providers by designating May 19-25, 2024 Emergency Medical Services Week;

Now, Therefore Be It Resolved, that the Ventura County Board of Supervisors does hereby proclaim May 19-25, 2024 as Emergency Medical Services Week and extends its sincere appreciation and gratitude to all Emergency Medical Service personnel for their hard work and dedication to the Ventura County community.
