Scope of Work
Fiscal Year 2024-2025

I. Contractor has the following tasks and responsibilities:

- A. Accept referrals from Children & Family Services (CFS) to conduct Family Evaluations. Although the actual number of referrals may fluctuate and is dependent upon the needs of CFS, Contractor has the capacity to receive up to 6 Family Evaluations per month, but no more than 72 Family Evaluations per year, which may include up to 14 non-English speaking referrals and up to 4 out-of-county referrals. Out-of-County evaluations will typically be in one of the adjacent counties of Santa Barbara, Los Angeles and Kern County; additional counties may be requested, to be mutually agreed-upon on a case-by-case basis. Contractor will send an e-mail confirmation of referral received and evaluator assignment to the Resource Family Approval (RFA) Child Welfare Social Worker (CWSW) and the RFA Child Welfare Supervisor (CW Supervisor) within 48 hours of receiving each Family Evaluation referral.
- B. Initiate contact with applicants within two (2) working days of receipt of referral from County and e-mail the RFA CWSW the date of the first scheduled Family Evaluation interview.
- C. Family Evaluations will include but are not limited to identifying the family's structure, values, discipline practice, coping strategies, strengths, and motivation to become a resource family. Contractor will include an assessment of the family and their willingness to adapt and accommodate the needs of the children, youth, and non-minor dependents. The Contractor will provide a recommendation based on their written family narrative and assessment that clearly supports whether an applicant should be approved or denied as a resource family, as well as the services or additional training that may be needed for the family to best meet the needs of children, youth, or non-minor dependents in out-of-home care.
- D. Complete, review, and submit a Family Evaluation pursuant to RFA Written Directives and County-approved Family Evaluation template within 45 days of receiving a referral from County on the condition that the family cooperates with the interview schedule in a timely fashion. After completing the Family Evaluation, the Contractor will review the Family Evaluation with the applicant(s) via e-mail, virtually, or in-person and make any necessary corrections/adjustments. Contractor will document on the County-approved Family Evaluation template the date the Family Evaluation was reviewed with the applicant(s) and the method of review. After completing and reviewing the Family Evaluation with the applicant(s), the Contractor will submit the Family Evaluation within 45 days of receiving a referral from CFS. (The County reserves the right to shorten the 45-day period if the RFA Written Directives reduce the timeframes for the completion of the comprehensive RFA assessment.)

- E. Inform the RFA CWSW and the RFA CW Supervisor immediately if the applicant is not responsive to Contractor; if issues of concern are identified; if Contractor is unable to complete a Family Evaluation, either because applicant fails to cooperate or for any other reason; or if the applicant's failure to cooperate in the Family Evaluation process will impact the completion and submission of the assessment within the 45-day period.
