CONTRACTOR will ensure that all lab work and medications prescribed are included as part of discharge planning.

c. Housekeeping and Laundry

CONTRACTOR will contract for housekeeping and commercial laundry services so that all areas of the facility are cleaned according to an established schedule and clients are provided with clean linens. Clients will be responsible for cleaning their own clothes using facility washing machines provided for this purpose, with the assistance of staff as necessary.

- d. Medical Records Management
CONTRACTOR will ensure adequate documentation of services provided occurs on a daily basis and medical records are maintained in accordance with the law.
- e. Emergency Medical Care
CONTRACTOR, in coordination with COUNTY, will develop agreements with local hospitals for the provision of all medical care that cannot be provided on site.

7. DISCHARGE CRITERIA AND PROCESS

- A. The CONTRACTOR will engage in discharge planning beginning at intake for each client served under this agreement. Discharge planning will include regular reassessment of client functioning, attainment of goals, determination of treatment needs and establishment of discharge goals.
- B. When possible, discharge will include treatment at a lower level of care or intensity appropriate to client's needs and provision of additional referrals to community resources for client to utilize after discharge.
 - I. The length of clients' admission is expected to range between 12 to 18 months. CONTRACTOR agrees lack of engagement with a client will not provide the basis for discharge from the program. In the event a client causes physical injury to another client(s), themselves, or staff, and/or significant property damage, CONTRACTOR, in consultation with COUNTY, will use all available information to determine the reason or motivation for the behavior before developing an appropriate response. In instances when the client appears to be experiencing a change of mental status and meets criteria for involuntary hospitalization, CONTRACTOR will facilitate the placement at a higher level of care and be prepared to accept the client back once psychiatrically stable again. In other instances when there is a lack of evidence that a change of mental status is the cause of the injurious and/or destructive behavior CONTRACTOR, in consultation with COUNTY, will contact the appropriate police agency and facilitate further investigation into the behavior.
 - II. CONTRACTOR will make discharge planning an integral part of the client's treatment program. On admission, the admissions/discharge planner, in conjunction with the client and the treatment team, will assess current obstacles to the client's placement in a lower level of care and projected discharge/placement potential. The team will ensure that the IRP addresses reducing obstacles to discharge and plans for skill development needed for successful community living. Progress toward discharge will be tracked on a continuous basis in an effort to increase the client's awareness of community resources, support, and independent living options.

8. PROGRAM OR SERVICE SPECIFIC AUTHORIZATION REQUIREMENTS

- A. All COUNTY admissions to the program will require prior authorization by the COUNTY's contract liaison (Behavioral Health Adult Residential Manager, direct 415-254-1578, or 805-981-8823) or the Adult Division Chief (direct 805-320-8261). Once authorized, admission to the program will be coordinated by the CONTRACTOR and COUNTY.

9. CONTRACT DELIVERABLES, OBJECTIVES AND OUTCOMES

- A. CONTRACTOR shall comply with all requests regarding local, State, and Federal performance outcomes measurement requirements and participate in the outcomes measurement processes as requested.
- B. CONTRACTOR shall work collaboratively with COUNTY to develop process benchmarks and monitor progress in the following areas:
 - I. CONTRACTOR shall complete the mandatory performance measures upon intake, annually and upon discharge for each client authorized by COUNTY for Medi-Cal Mental Health Services. CONTRACTOR will input data into the Milestones of Recovery Scale (MORS). COUNTY will provide CONTRACTOR with direction in establishing a system for data collection and data integrity measures. CONTRACTOR may petition COUNTY to accept alternative performance measures. CONTRACTOR is responsible for the mandatory performance measures until written acceptance of the proposed alternative performance measures from the VCBH DIRECTOR or his or her designee has been received.

10. REPORTING AND EVALUATION REQUIREMENTS

- A. CONTRACTOR shall complete all reporting and evaluation activities as required by the COUNTY and described herein.
 - I. The CONTRACTOR will have in place written procedures for notifying COUNTY (and Public Guardian when appropriate) of any unusual occurrences or adverse events, including, but not limited to: physical altercations, physical injuries, AWOL's, and significant property damage. Such notification should be faxed to COUNTY at (805) 973-5189 or such other fax number as provided to CONTRACTOR from time to time in writing within twenty-four (24) hours of the incident.
 - II. COUNTY and CONTRACTOR agree to meet on an ongoing basis to discuss concerns related to the Horizon View MHRC, including but not limited to concerns regarding treatment coordination, service utilization and outcomes, documentation and reporting requirements, and financing and revenue production.
 - III. CONTRACTOR will submit a quarterly client program report. This quarterly report

will include but is not limited to: (1) a complete list of names of enrolled clients and dates of their admissions; (2) indications of treatment cooperation (e.g., attendance at scheduled activities, compliance with prescribed medications; (3) progress towards discharge; (4) disability benefits status; and (5) LPS conservatorship status and pending changes/actions. The quarterly client program reports will be submitted to COUNTY no later than the 15th day of the month after the end of each quarter (i.e., October 15th, January 15th, April 15th, and July 15th).

- IV. CONTRACTOR shall screen all self-pay clients enrolled in CONTRACTOR's program to determine insurance needs and assist each client in applying for Medi-Cal or direct the client not eligible for Medi-Cal to the Covered California website during the open enrollment period. Documented efforts will be sent to COUNTY on a quarterly basis, using a mutually agreed upon reporting process.
- V. CONTRACTOR shall provide services under this Agreement in accordance with all applicable laws and regulations and as set forth under the terms of this Agreement.

11. ORIENTATION, TRAINING AND TECHNICAL ASSISTANCE

- A. COUNTY will endeavor to provide CONTRACTOR with training and support in the skills and competencies to (a) conduct, participate in, and sustain the performance levels called for in the Agreement and (b) conduct the quality management activities called for by the Agreement.
- B. COUNTY will provide the CONTRACTOR with all applicable standards for the delivery and accurate documentation of services.
- C. COUNTY will make ongoing technical assistance available in the form of direct consultation to CONTRACTOR upon CONTRACTOR's request to the extent that COUNTY has capacity and capability to provide this assistance. In doing so, COUNTY is not relieving CONTRACTOR of its duty to provide training and supervision to its staff or to ensure that its activities comply with applicable regulations and other requirements included in the terms and conditions of this Agreement.
- D. Any requests for technical assistance by the CONTRACTOR regarding any part of this agreement shall be directed to the COUNTY's designated contract monitor.
- E. CONTRACTOR shall require all new employees in positions designated as "covered individuals" to complete compliance training within the first thirty (30) days of their first day of work. CONTRACTOR shall require all covered individuals to attend, at minimum, one (1) compliance training annually.
- I. This training shall be conducted by the COUNTY, at COUNTY's discretion, by CONTRACTOR staff, or both, and may address any standards contained in this

Agreement.

- II. Covered individuals who are subject to this training are any CONTRACTOR staff who have or will have responsibility for, or who supervises any staff who have responsibility for, ordering, prescribing, providing, or documenting client care or medical items or services.

F. Additional Requirements

- I. Maintenance and Repair Schedule

The Maintenance of the Horizon view shall be in accordance with the Maintenance Schedule provided to the CONTRACTOR, which by reference shall be included in this Agreement.

- II. Staffing

CONTRACTOR shall employ adequate staff to meet the staffing patterns in the chart below. CONTRACTOR shall also employ adequate bilingual/bicultural staff to meet the language needs of clients.

EXHIBIT "B"
PAYMENT TERMS
TELECARE CORPORATION
Amended July 1, 2024

- A. COUNTY shall pay CONTRACTOR in accordance with the terms and conditions set forth in this Exhibit "B" and Attachment A to Exhibit "B" for CONTRACTOR's satisfactory performance or provision of the services and work described in Exhibit "A". Except as expressly provided in this Agreement, the maximum total sum of all payments made by COUNTY to CONTRACTOR for the services and work performed or provided under this Agreement for the service period of July 1, 2024 through June 30, 2025, shall not exceed **\$3,403,999**. This not to exceed amount is not a guaranteed sum but shall be paid only for services actually rendered. Any unspent fiscal year appropriation does not roll over and is not available for services provided in subsequent years. The funding sources for this Agreement could include: SD/MC FFP and Realignment.
- B. CONTRACTOR shall enter claims data into COUNTY's Electronic Health Record System within the timeframes established by COUNTY. CONTRACTOR shall use CPT or Healthcare Common Procedure Coding System (HCPCS) codes, as provided in the DHCS Billing Manual available at <https://www.dhcs.ca.gov/services/MH/Pages/MedCCC-Library.aspx>, as from time to time amended. CONTRACTOR will review the DHCS Billing Manual periodically to ensure CONTRACTOR is aware of any changes and utilizing the information from the most current version of the manual.
- C. CONTRACTOR shall bill COUNTY monthly in arrears by invoice using CONTRACTOR's own letterhead or format and include a signed Certification of Claims form (Exhibit "I") and a printout from COUNTY's Electronic Health Record System of billable services (invoices shall be based on claims entered into the COUNTY's Electronic Health Record System for the prior month). COUNTY will complete a reconciliation of the units of service and rates against the payments made to CONTRACTOR to identify any over or under payments. COUNTY is entitled to recover, and CONTRACTOR shall remit any amount overpaid to CONTRACTOR within forty-five (45) days of any COUNTY completed reconciliation. COUNTY will remit any additional payments required to the CONTRACTOR upon any COUNTY completed reconciliation.

All invoices submitted shall clearly reflect all required information regarding the services for which invoices are made, in the form and content specified by COUNTY. CONTRACTOR shall submit delivered units of service with appropriate documentation, along with the invoice for reimbursement. No service that has been or will be reimbursed by any other revenue source can be invoiced by CONTRACTOR. Invoices for reimbursement shall be completed by CONTRACTOR, and dated, and forwarded to COUNTY within ten (10) working days after the close of the month in which services were rendered. Incomplete or incorrect invoices shall be returned to CONTRACTOR for correction and resubmittal and will result in payment delay. Late invoices will also result in payment delays. Following receipt of a complete and correct monthly invoice and approval by COUNTY, CONTRACTOR shall then be paid within forty-five (45) working days of submission of a valid invoice to the COUNTY.

- D. **TIMELY BILLING.** CONTRACTOR shall generate a monthly Timely Billing Report for Outpatient Programs that has been reviewed by CONTRACTOR's Chief Financial Officer, Controller, or highest-ranking accounting officer. CONTRACTOR's accounting officer's signature on the report indicates that timeliness related to billing will be managed to achieve an average of three business days or less for full-use users of the County Electronic Health Record System and an average of six (6) business days or less for billing-only users of the County Electronic Health Records System, from the time of service to the date of entry in COUNTY's Electronic Health Record System. The signed Timely Billing Report must be attached with the monthly invoice and submitted to COUNTY. CONTRACTOR shall ensure that all data is entered in a timely manner in order to produce the most accurate reports.
- E. Payment shall be made in arrears upon the submission of approved invoices to COUNTY. Monthly payments for claimed services shall be based on the units of time assigned to each CPT or HCPCS code entered in the COUNTY's Electronic Health Record System. The payment is based on the provider day rate as detailed in Table 1, in Attachment A to Exhibit "B." COUNTY's payments to CONTRACTOR for performance of claimed services are provisional and subject to adjustment until the completion of all reconciliation activities. COUNTY's adjustments to provisional payments for claimed services shall be based on the terms, conditions, and limitations of this Agreement or the reasons for recoupment set forth in Section 62, Audit of Services, Subsections D and E. All payments shall be subject to audit and reconciliation. COUNTY agrees to pay CONTRACTOR for approved services rendered, less any services that are disallowed for any reason by the COUNTY Quality Assurance Division. CONTRACTOR shall be liable for any expenses incurred by CONTRACTOR in excess of the contract maximum. In no event shall the maximum amount payable hereunder exceed the maximum contract amount under this Agreement, as specified in Section A of Exhibit "B."
- F. CONTRACTOR has submitted to COUNTY for its review and consideration a budget that contains estimated staffing which is applicable under this Agreement. COUNTY will use this information as an ongoing monitoring guide and will also include in COUNTY monitoring the measure of productivity, service level expectation, and the ability to achieve outcomes as specified in this Agreement.
- G. **SD/MC reimbursement provision:** For Medi-Cal eligible services COUNTY acknowledges its responsibility to pay CONTRACTOR with respect to services provided to Medi-Cal members under this Agreement, CONTRACTOR shall comply with Medi-Cal State Plan and Medi-Cal SMHS Waiver requirements. The Short-Doyle/Medi-Cal reimbursement is composed of FFP and Local Matching Funds (County Resources). COUNTY requests that CONTRACTOR maximize services under this Agreement utilizing Short-Doyle/Medi-Cal funding as applicable. CONTRACTOR must accept as payment in full the amounts paid by COUNTY in accordance with this Agreement. CONTRACTOR may not demand any additional payment from DHCS, client, or other third-party payers.
- H. CONTRACTOR may not redirect or transfer funds from one funded program to another funded program under which CONTRACTOR provides services pursuant to this Agreement except through a duly executed amendment to this Agreement.

- I. CONTRACTOR may not charge services delivered to an eligible client under one funded program to another funded program unless the client is also eligible for services under the second funded program.
- J. It is expressly understood and agreed between the parties hereto that COUNTY shall make no payment and has no obligation to make payment to CONTRACTOR unless the services provided by CONTRACTOR hereunder were authorized by DIRECTOR or his or her designee prior to performance thereof.
- K. CONTRACTOR or subcontractor of CONTRACTOR shall not submit a claim to, or demand or otherwise collect reimbursement from, the member or persons acting on behalf of the member for any SMHS or related administrative services provided under this Agreement, except to collect other health insurance coverage, share of cost, and co-payments (CCR, tit 9 Section 1810.365(a)).
- L. CONTRACTOR shall not charge any clients or third-party payers any fee for service unless directed to do so by the Director at the time the client is referred for services. When directed to charge for services, CONTRACTOR shall use the uniform billing and collection guidelines prescribed by DHCS.
- M. CONTRACTOR or subcontractor of CONTRACTOR shall not hold members liable for debts in the event that the COUNTY becomes insolvent; for costs of covered services for which the State does not pay the COUNTY; for costs of covered services for which the State or the COUNTY does not pay the COUNTY's network providers; for costs of covered services provided under a contract, referral or other arrangement rather than from the COUNTY; or for payment of subsequent screening and treatment needed to diagnose the specific condition of or stabilize a member. 42 CFR 438.106 and Cal Code Regs Title 9 1810.365(c).
- N. CONTRACTOR agrees to hold harmless both the State of California and members in the event the COUNTY cannot or does not pay for services performed by the CONTRACTOR pursuant to this Agreement.
- O. This Agreement shall be subject to any restrictions, limitations, and/or conditions imposed by County or State or Federal funding sources that may in any way affect the fiscal provisions of or funding for this Agreement. This Agreement is also contingent upon sufficient funds being made available by COUNTY or State or Federal funding sources for the term of the Agreement. If the Federal or State governments reduce financial participation in the Medi-Cal program, COUNTY agrees to meet with CONTRACTOR to discuss renegotiating the services required by this Agreement.
- P. COUNTY will not remit payment for services to any entity or financial institution that is located outside of the United States of America. CONTRACTOR certifies, by executing this Agreement, that it and its subcontractors are located (and, where CONTRACTOR and/or its subcontractors are corporations, incorporated) in the United States of America.
- Q. COUNTY will not remit payment for services furnished to an excluded individual or entity, or at the direction of a physician during the period of exclusion when the person providing

the service knew or had reason to know of the exclusion, or to an individual or entity when the State Department of Health Care Services or COUNTY failed to suspend payments during an investigation of a credible allegation of fraud (42 U.S.C. section 1396b(i)(2)).

- R. In accordance with 42 C.F.R. 438.608(a)(8) and 42 C.F.R. part 455.23, in cases where there is a credible allegation of fraud for which an investigation is pending under the Medicaid program against CONTRACTOR or their network provider, COUNTY shall suspend all payments to CONTRACTOR, unless there is good cause not to suspend payments or to suspend payment only in part.
- S. COUNTY will not remit payment for any item or service furnished under this Agreement: (1) by CONTRACTOR or any individual or entity during any period when CONTRACTOR, the individual, or entity is excluded from participation under the Social Security Act, sections 1128, 1128A, 1156 or 1842(j)(2), (2) that is provided by any individual, entity, at the medical direction or on the prescription of a physician, during the period when the individual, entity, or physician is excluded from participation under titles V, XVIII, or XX or pursuant to sections 1128, 1128A, 1156, or 1842(j)(2) of the Social Security Act and when the person furnishing such items or service knew, or had reason to know, of the exclusion (after a reasonable time period after reasonable notice has been furnished to the person), (3) if the State has failed to suspend payments during any period when there is a pending investigation of a credible allegation of fraud against the individual, entity, or physician, unless the State determines there is good cause not suspend such payments, or (4) in respect to any services or activities furnished for which funds may not be used under the Assisted Suicide Funding Restriction Act (ASFRA) of 1997.
- T. In the event that CONTRACTOR fails to comply with any provision of this Agreement, including the timely submission of any and all reports, records, documents, or any other information as required by County, State, and appropriate Federal agencies regarding CONTRACTOR's activities and operations as they relate to CONTRACTOR's performance of this Agreement, COUNTY shall withhold payment until such noncompliance has been corrected.
- U. CONTRACTOR hereby acknowledges that all claims for payment for services rendered shall be in accordance with Exhibit "I" (Certification of Claims for Payment for Services Rendered), attached hereto and made a part hereof by this reference.
- V. Notwithstanding any other provision of this Agreement, SD/MC services provided hereunder by CONTRACTOR, shall comply with and be compensated in accordance with all applicable Federal, State, and COUNTY laws, regulations, requirements, and any amendments or changes thereto, including but not limited to, DHCS SD/MC, Medi-Cal SMHS title 9, Chapter 11, DMH Cost Reporting Data Collection Manual, title 19 of the Social Security Act, title 22 of the California Code of Regulations, Section 51516, and policy letters issued by the DMH-DHCS, Program regulations and requirements as specified by DMH-DHCS. It is understood that such services will subsequently be billed by COUNTY for SD/MC FFP.

- W. CONTRACTOR shall ensure that all services provided under this Agreement which are eligible for SD/MC FFP reimbursement shall be reported to COUNTY in accordance with COUNTY reporting timelines, instructions, and formats. COUNTY in its sole discretion may withhold payment to CONTRACTOR if CONTRACTOR does not comply with such reporting timelines, instructions, and formats as required by COUNTY. COUNTY shall be responsible for billing the appropriate entity for reimbursement of the SD/MC services provided and reported by CONTRACTOR to COUNTY.
- X. CONTRACTOR understands and agrees that all SD/MC FFP revenue generated by the services provided by CONTRACTOR under this Agreement shall be reimbursed to COUNTY.
- Y. Notwithstanding any other provision of this Agreement, in no event shall COUNTY be liable or responsible to CONTRACTOR for any payment for any disallowed SD/MC services provided hereunder, which are the result of CONTRACTOR's sole negligence in providing SD/MC services under this Agreement. CONTRACTOR shall be required to fully reimburse COUNTY for any payment by COUNTY to CONTRACTOR that is subsequently disallowed through Federal, State, county or any other entity audit(s) or review(s) including any services that are disallowed for any reason by the VCBH Quality Assurance Division.
- Z. Claims deemed unallowable shall be subject to recoupment or recovery by COUNTY.
- AA. CONTRACTOR shall not bill members for covered services under a contractual, referral, or other arrangement with COUNTY in excess of the amount that would be owed by the individual if the COUNTY had directly provided the services (42 U.S.C 1396u-2(b)(6)(C)).
- BB. COUNTY and CONTRACTOR agree to meet on an ongoing basis to negotiate concerns related to this Agreement, including but not limited to treatment coordination, service utilization and outcomes, documentation and reporting requirements.
