As a VCAS Commissioner, I am writing to encourage your board to question the validity and accuracy of the reports of VCAS Director Jackie Rose.
I recently met with Ms. Rose and conclude that, due to Ms. Rose arrogance and unwillingness to have a fruitful open dialogue, unwillingness to answer my questions, that there is something she is not being totally honest with me about.

The meeting itself cannot be reported in this public forum, however I hope that you will be diligent in getting to the bottom of why the Agency (VCAs) is falling apart.
