Board of Supervisors  
County of Ventura  
800 South Victoria Avenue  
Ventura, CA 93009

**Subject:**      **Adoption of a Resolution Certifying Ventura County's Maintained Mileage – May 2023 to April 2024; All Supervisorial Districts.**

**Recommendation:**

Adopt the attached Resolution certifying Ventura County's maintained mileage as 542.65 miles.

**Fiscal/Mandates Impact:**

There are no additional County costs associated with this Board action.

**Discussion:**

Section 2121 of the Streets and Highways Code requires annual certification of the number of miles of roadway being maintained by each county. This certification is required as part of the process for the apportionment of gas tax funds distributed under the provisions of Sections 2104 and 2105 of such Code, which provide for certain disbursements based on vehicle registration and maintained mileage. The state also requires all public agencies to submit certified maintained mileage to update the Highway Performance Monitoring System (HPMS).

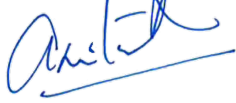

The tabulation of Ventura County's maintained road mileage as shown in Exhibit 2, covering the period from May 2023 to April 2024, indicates a total of 542.65 miles.

This item has been reviewed by the County Executive Office, the Auditor-Controller's Office, and County Counsel.

Anitha Balan
