**ARTICLE 1 TERM, RECOGNITION, IMPLEMENTATION,
AND POTENTIAL SUCCESSOR AGREEMENT**

Sec. 101 **Term:** The provisions of this 2024-2027 Memorandum of Agreement (hereinafter "Agreement") between the County of Ventura (hereinafter "County") and the Specialized Peace Officers' Association of Ventura County (hereinafter either "SPOAVC" or "Association"), shall become effective on July 28, 2024. This Agreement shall expire and be fully terminated at 11:59 p.m. on July 27, 2027.

Sec. 102 **Recognition:** This Agreement shall apply only to persons employed in the classifications within the Specialized Peace Officers' Unit including:

Medical Examiner Investigator I (0337)
Medical Examiner Investigator II (0338)
Senior Medical Examiner Investigator (01037)

The County further recognizes the Association as the exclusive employee organization certified with authority and responsibility to represent all employees in the above classifications in matters relating to employment conditions and employer-employee relations as provided in the Meyers-Milius-Brown Act.

For purposes of this Agreement, "regular" employees shall be defined consistent with Section 250 of the County's Personnel Rules and Regulations.

Sec. 103 **Implementation:** This Agreement constitutes a mutual recommendation to be jointly submitted to the County BoS and the Association. It is agreed that this Agreement shall not be binding upon the parties - either in whole or in part unless and until approved by the Association and unless and until the BoS:

- A. Acts, by majority vote, formally to approve this Agreement; and,
- B. Enacts necessary resolutions and amendments to all County ordinances required to implement the provisions of these Articles.

Sec. 104 **Successor Agreement:** In the event the Association desires to negotiate a successor Agreement, the Association shall, no more than four (4) months and no less than three (3) months prior to the expiration date referenced in Section 101, serve on the County its written request to commence negotiations as well as its initial written proposals for such successor Agreement.

Upon receipt of such written notice and proposals, the County shall, within thirty (30) days, present counter-proposals. Negotiations shall begin within

thirty (30) days after receipt of the Association's proposals unless otherwise agreed-to by the parties. Sections of this Agreement not addressed by either party in their proposals shall remain in full force and effect when a successor agreement is implemented.

Sec. 105 As a result of implementation of this Agreement, all grievances for which the Association has requested arbitration but which have not been submitted to an arbitrator for decision are hereby completely resolved.

ARTICLE 2 RETIREMENT

- Sec. 201 **Existing Benefits:** Those individuals employed by the County who are currently provided benefits by either the Tier I or Tier II Retirement Plans shall continue to be provided the benefits set forth by the Plan in which they are enrolled.
- Sec. 202 **Retirement:**
- A. All unit employees shall contribute as retirement contributions an amount equal to one-half of the actuarially determined normal cost of the applicable retirement formula. Any required amount in excess of the required member contribution shall be contributed consistent with the cost-sharing provisions set forth in Government Code Section 31631.5. Future increases or decreases in actuarially determined normal retirement costs will be shared equally between the employee and the County.
 - B. Pursuant to Section 414(h)(2) of the Internal Revenue Code, the County shall declare that it is “picking up” the entire required member contribution irrespective of who actually pays it so as to cause the taxable income of each represented employee to be reduced by the amount of the “pick up.” Therefore, for taxation purposes, this “pick up” shall not be regarded as ordinary income in accordance with Section 414(h) of the United States Internal Revenue Code.
 - C. Employees shall be responsible for their “employee contributions” to retirement to the extent not covered by any County “pickup.”
- Sec. 203 **Purchase Of Retirement Credit For Military Service:** Pursuant to the provisions of California Government Code Section 31641.95, California Government Code Sections 31470.7, 31478, 31479, 31481, 31641.1, 31641.2, 31641.3, 31641.8, and 31641.9, authorizing the purchase of retirement credit for previous military service, are applicable to unit employees.
- Sec. 204 **"Safe Harbor" Retirement Plan:** SPOAVC accepts the County's assurance that the County's "Safe Harbor" Retirement Plan is in compliance with the provisions of the Omnibus Budget Reconciliation Act (OBRA), for employees not eligible for coverage under the provisions of the 1937 Retirement Act.
- Sec. 205 **Retirement Offset:** Effective the first day of the second pay period after commencement of the 2015-2018 Agreement and in conjunction with both (a) the cessation of all employer “payments” of any portion of an employee’s required retirement contribution as well as the deletion of the Retirement Incentive for 30 Year Employees and (b) the requirement that represented

employees prospectively share (on a 50:50 basis) in their actuarially determined "normal" cost of retirement, the base salary/hourly rate of pay range of all classifications in this unit, and the base salary/hourly rate of pay of each employee therein was increased by three percent (3%). The parties further understand and agree that the percentage salary/pay increase due to this "offsetting" of increased retirement costs shall not be included in calculation of compensation owed due to payment of any non "FLSA Mandated Overtime."

ARTICLE 3 COMPENSATION PLAN

- Sec. 301 **Compensation Schedule:** Except as otherwise provided herein, employees shall be compensated within the pay range assigned to the classification of the position in which they are employed and in accordance with the pertinent conditions of employment enumerated in these Articles.
- Sec. 302 **Regular Pay Day:** Employees shall be paid on or about the Friday following the end of each biweekly payroll period.
- Sec. 303 **Pay On Termination:** Upon certification of the Director-Human Resources that the employment of any employee is terminated prior to the expiration of the biweekly pay period, that person shall be paid the regular pay day of the pay period following the pay period in which the termination occurred.
- Sec. 304 **Premium Pay For Less Than Full-Time Services Of Regular Employees:** Premium pay will be paid to regular less than full-time employees on the same basis as full-time employees except that when premium pay is paid on a biweekly or monthly rate, that rate will be paid to less than full-time employees on a pro-rata basis.
- Sec. 305 **Pay Range Changes:** Whenever a higher pay range is assigned to a classification, an employee holding a position in such classification shall have his hourly rate of pay increased by the percentage increase in the classification's pay range. The employee's probation hours needed and/or merit increase hours needed shall not change in such an adjustment.
- Whenever a lower pay range is assigned to a classification, an employee holding a position in that class shall receive the same hourly rate of pay the employee was receiving on the day preceding the effective date of the new pay range if such hourly rate of pay is within the newly established pay range. In all other instances, when a lower pay range is assigned to a classification, an employee holding a position in the class whose rate immediately preceding the effective date of the new pay range was in excess of the maximum of the new pay range shall receive the maximum of the new pay range. The anniversary date of an employee affected by the establishment of lower pay ranges for their classification shall not be affected by such an adjustment.
- Sec. 306 **Hourly Rate Of Pay On "Y" Rating:** When an employee is "Y" rated, the hourly rate of pay the employee received immediately prior to the date of downward reclassification is to be frozen and may not be increased until the maximum of the pay range assigned to the new classification exceeds the hourly rate of pay the employee was earning immediately prior to establishment of the "Y" rate. The employee shall then be placed at the point in the range most closely representing an approximately five percent (5%) increase in the employee's hourly rate of pay and shall retain the

probation hours needed and/or merit increase hours needed that were in effect immediately prior to the establishment of the "Y" rate.

Sec. 307 **Hourly Rate Of Pay On Transfer:** Whenever an employee is involuntarily or voluntarily transferred or assigned to a position in a different classification having the same pay range as the employee's former position, the employee shall retain their hourly rate of pay and probation hours needed and/or merit increase hours needed.

Sec. 308 **Priority Of Increases:** Whenever a general increase, a merit increase, a higher pay range or pay range placement, a promotional increase, or any combination thereof are effective on the same date, the hourly rate of pay to which an employee is entitled shall be fixed as follows: to the hourly rate of pay received by the employee on the preceding day shall first be added any general increase, then any higher pay range or pay range placement, then any merit increase, and then any promotional increase.

Sec. 309 **Hourly Rate Of Pay Upon Demotion:**

- A. A promotional probationary employee demoted to the class the employee formerly occupied in good standing shall have their pay, probationary status and probation hours needed and/or merit increase hours needed adjusted to reflect what the employee would have achieved had the employee remained in the lower class throughout the period of service in the higher class.
- B. Upon the request of an initial probationary employee, such an employee may, upon approval of the Agency/Department Head, be demoted to a class in which the employee did not previously hold status provided Human Resources certifies that said employee is qualified for the position to which the employee is demoted. Such employee shall be demoted to the entry level rate of pay in the lower class and shall be required to serve a new probationary period and may, with the approval of the Director of Human Resources, be assigned a rate of pay at any point within the range of the lower classification that is less than or equal to the rate that was received in the higher class.
- C. At the discretion of the Agency/Department Head, whenever an employee takes a probationary demotion to a lower related class in which the employee has held status but a probationary period has not been completely served, such employee shall retain their current rate of pay or receive the top of the pay range of the lower class, whichever is less. The employee shall also be required to serve a new probationary period.

- D. Whenever an employee who has completed their probationary period in a higher class is then demoted to a position in a lower class for reasons other than unsatisfactory performance, or for functional disability, the employee shall receive the highest rate of pay on the new range that does not exceed their rate of pay immediately prior to demotion and shall retain their probation hours needed and/or merit increase hours needed.

Sec. 310 **Merit Increases:** Merit increases within a pay range shall not be automatic. They shall be based on merit and shall require the written approval of the appointing authority, containing the effective date thereof. Except as otherwise provided, a merit increase shall consist of an increase of approximately five percent (5%) within a pay range for the class unless the employee is less than five percent (5%) from the top of the pay range and in such a case, the increase shall be to the top of the pay range. Qualifying service for merit increase consideration shall be by compensable hours, which include all paid hours exclusive of overtime compensation.

Sec. 311 **Time For Merit Increases:** A newly appointed, re-employed, promoted, or appointed employee may qualify for:

- A. An initial merit increase within the pay range upon completion of one thousand forty (1040) hours of compensable service in that class.
- B. Succeeding merit increases within the pay range upon completion of each additional period of at least 2,080 hours of compensable service in that class.

The period of service required to qualify for merit increases by regular less than full-time employees shall be to the same as for a regular full-time work schedule.

- C. All approved merit increases will be effective on the first Sunday of the pay period after completing the required number of compensable hours of service.

Sec. 312 **Merit Review:** At least one (1) pay period prior to an employee qualifying for a merit increase, the appointing authority shall notify the Director-Human Resources and the employee in writing of their decisions regarding approval, or denial of a merit increase. In all cases, the recommendation of the appointing authority shall be based on the employee's performance.

Sec. 313 **Denial Of Merit Increase:** If, in the appointing authority's judgment, the employee's performance does not warrant a merit increase upon meeting the time requirements of Section 311, the Agency/Department Head may deny the increase and must complete the County performance evaluation rating form. Any time prior to the employee qualifying for their next merit increase, the employee may request a review of their merit increase by the

appointing authority, or the appointing authority, by their own initiative, may review the matter. If the appointing authority concurs with the requested review or if the appointing authority independently initiates their own review, then the appointing authority shall reopen the matter by submitting another performance rating and recommendation. If an employee's merit increase is granted prior to completing at least 2,080 hours of compensable service after it was denied, that employee's next merit increase shall not be due until the employee has completed at least an additional 2,080 hours of compensable service.

- Sec. 314 **Correcting Error In Overlooking Merit Increase:** Upon discovery that an employee who would otherwise have been recommended for a merit increase failed to receive such increase as the result of an oversight or system error, the Auditor-Controller shall compensate the employee for the additional pay the employee should have received dating from the first day of the pay period after which the employee would have satisfied the merit increase hours needed by adding said additional pay to the employee's next biweekly paycheck. In such cases, the employee's current merit increase hours needed will be adjusted retroactive to their merit increase.
- Sec. 315 **Rate Of Pay On Promotion:** A regular employee who is promoted to a position in a class having a higher pay range shall receive the entry rate of pay for the higher class or such higher amount as would constitute an increase of approximately five percent (5%) on the range over the rate of pay received prior to promotion, whichever is greater.
- Sec. 316 **Effective Date Of Promotion:** Whenever an employee is promoted the effective date of their promotion shall always be the first (1st) Sunday of the first complete pay period following the promotion.
- Sec. 317 **Rate Of Pay On Temporary Promotion:** An employee assigned to a higher classification to fill a vacancy caused by sick leave or other approved leave of absence, or any other reasons stipulated by these Articles, and who serves in said higher classification for forty (40) consecutive work hours, shall thereafter be paid according to the pay range of the class to which the employee has been temporarily promoted. Upon temporary promotion, an employee will receive either the minimum of the new pay range or a five percent (5%) increase over their present rate of pay, whichever is greater. In no case shall such pay adjustment place the employee beyond the highest point on the pay range of the position to which the employee has been temporarily promoted. An employee so temporarily promoted shall receive this rate of pay as long as the employee continues to serve in said higher classification and shall be entitled to receive increases within the range for the position as provided in these Articles as though the employee had been appointed on the day the employee began to receive the rate of pay designated for the position. The forty (40) workhour waiting period shall apply each time an employee is assigned to a higher classification in this

manner. For purposes of this section, subsequent merit increases shall be computed from the date that the temporary appointment was granted. Persons appointed pursuant to the provisions of this section shall not gain permanent status in the higher-level class.

This provision excludes those classifications whose specific duties and responsibilities require supervision in absence of an immediate supervisor.

Sec 318

Difficult To Recruit/Retain:

- A. Should the Director-Human Resources, subject to approval by the County Executive Officer, determine that a serious recruiting and/or retention problem exists for a classification(s), or that increases granted to subordinate "difficult to recruit" classifications have created serious compaction problems, and that a five percent (5%) increase(s) to a classification's pay range would assist the County in recruiting or retaining employees in that classification(s), then that classification may be designated as "Difficult to Recruit/Retain." Upon such determination and approval, a five percent (5%) increase(s) granted pursuant to the provisions of this Section shall be implemented as follows:
1. If authorized by the Director-Human Resources, the initial placement for newly hired employees may be at any point within the pay range for the classification.
 2. All employees in the designated classification (s), who have successfully completed one (1) year or more of service at the top of the range for that classification(s) shall receive an increase in accordance with the provisions of Sections 310, 311, 312 313, and 314.
 3. All other employees in the designated classification (s) may, upon recommendation of their Agency Head and approval by the Director-Human Resources, have their pay adjusted by five percent (5%) increments (unless such increase would cause the rate of pay to exceed the maximum for his/her classification) up to a rate of pay equal to the lowest rate received by a qualified candidate hired from an eligible list created as the result of an open competitive examination to fill a vacancy in that classification.
 4. Subsequent merit increases for employees not compensated at the top of the pay range (s) for classifications affected by the provisions of this Section may be granted pursuant to Sections 310, 311, 312, 313, and 314.

- B. Termination of Designation: In the event the Director-Human Resources determines the circumstances that created the recruiting or retention problems for any or all classifications no longer exist, the Director-Human Resources shall advise the County Executive Officer of such findings. If the County Executive Officer concurs, the County Executive Officer shall declare the provisions described above inoperative for such classification (s). At that time, the pay for any employee compensated at a rate above that to which the employee would otherwise have been entitled shall be "Y" rated and shall not be increased until the pay range for the classification exceeds the rate established for the employee pursuant to the provisions described above.
- C. Reports: The Director-Human Resources shall submit quarterly reports to the Board of Supervisors indicating the classifications and numbers of positions affected by the provisions of this Section.
- D. Waiver of Grievability: The provisions of this Section shall neither be grievable nor arbitrable under Article 25 of this Agreement.

Sec. 319

- A. **Salary/Pay Increases**: Increases shall be as follows:
 - 1. Effective August 4, 2024, the base salary/hourly rate range of each classification covered by this Agreement and the base salary/hourly rate of pay of each employee employed in those classifications shall be increased by five and one-half percent (5.50%).
 - 2. Effective August 3, 2025, the base salary/hourly rate range of each classification covered by this Agreement and the base salary/hourly rate of pay of each employee employed in those classifications shall be increased by four percent (4.0%).
 - 3. Effective August 2, 2026, the base salary/hourly rate range of each classification covered by this Agreement and the base salary/hourly rate of pay of each employee employed in those classifications shall be increased by three and one-half percent (3.50%).

Sec. 320

Pay Adjustments Within the Existing Pay/Salary Range:

Effective the first full pay period after approval by the Board of Supervisors, upon recommendation by the Agency/Department Head and with the approval of the County Executive Officer, a pay/salary adjustment within the existing pay/salary range of an identified job classification (e.g., Medical Examiner Investigator I) or classifications (e.g., Medical Examiner

Investigator I/II) may be granted for some or all individuals employed in any such job classification(s), so long as an individual is not already at the top step of the existing pay/salary range. The incumbents must be regular, permanent employees and the request to the County Executive Officer by the Agency/Department Head must be accompanied by a performance evaluation for each employee in the classification who is to receive a pay adjustment under this section (abbreviated will be acceptable) demonstrating that each such employee is meritorious of the pay adjustment. Adjustments granted under this section will not cause the top step of the salary range to be increased nor permit any employee to receive pay above the established pay/salary range.

Pay adjustments pursuant to this section shall be limited to once per calendar year for any job classification and incumbent employed in any such classification.

If an employee is granted a pay/salary adjustment pursuant to this section, that employee's next merit increase shall not be due until 2080 hours of service have elapsed from the first day of the period in which the pay adjustment under this section went into effect.

Sec. 321 **One-Time Payments:**

Effective with the pay period beginning September 1, 2024, regular, full-time employees (regularly scheduled to work 64 hours or more biweekly), who were covered by this Agreement on the date of adoption, shall receive a one-time payment of one thousand dollars (\$1,000).

Effective with the pay period beginning August 31, 2025, regular, full-time employees (regularly scheduled to work 64 hours or more biweekly) who are covered by this Agreement, shall receive a one-time payment of one thousand dollars (\$1,000).

ARTICLE 4 HEALTH INSURANCE

Sec. 401 **County Contribution For Employees To Purchase A County-Sponsored Health Plan:**

- A. Regular employees may elect to be covered by the County of Ventura Flexible Benefits Program. The County shall contribute a biweekly amount as approved by the Board of Supervisors to be allocated to the purchase of any benefit option under the County's Flexible Benefits Program and subject to the provisions set forth below for the full-time and part-time regular employees.
- B. For regular, full-time employees enrolled in the County of Ventura Flexible Benefits Program, subject to terms and conditions of the plan document, the County shall contribute a biweekly contribution amount for each tier of coverage as follows ("County Contribution"):

<i>Medical Plan Enrollment</i>	Effective Date		
	12/08/2024	12/07/2025	12/06/2026
Tier I - Employee Only/Opt-out	\$502	\$509	\$519
Tier II - Employee +1	\$730	\$779	\$835
Tier III - Employee + Family	\$905	\$983	\$1073

The County Contribution will be allocated as follows: (1) a portion equal to the biweekly premium for the lowest cost employee-only group health coverage that offers minimum value ("Health Allowance") shall be used solely for the purchase of group health plan coverage; and (2) the difference between the County Contribution and Health Allowance may be used for the purchase of any other benefits offered under the Flexible Benefits Program, or taken as taxable compensation.

- C. For regular, part-time employees enrolled in the County of Ventura Flexible Benefits Program, subject to the conditions of the plan document, the County shall continue to contribute a biweekly amount for each tier of coverage as follows:

<i>Medical Plan Enrollment</i>	Effective Date		
	12/08/2024	12/07/2025	12/06/2026
Tier I - Employee Only/Opt-out	\$351	\$356	\$363
Tier II - Employee +1	\$511	\$545	\$585
Tier III - Employee + Family	\$634	\$688	\$751

- D. For purposes of this Article only, part-time employees shall be defined as those who work no fewer than forty (40) hours but less than sixty (60) hours per biweekly pay period.

Sec. 402 **Medical Plan Opt-Out Option:**

- A. A regular employee may elect the Medical Opt-Out Option declining medical coverage under the County of Ventura Flexible Benefits Program for the employee and the employee's dependents with adequate proof of enrollment in other qualifying group health insurance coverage.
- B. Employees electing not to participate in a County-sponsored health care plan must complete and submit the Opt-Out Certification Form certifying that they are enrolled and covered under another group hospital and medical health plan. The Opt-Out Certification Form shall be received by the Human Resources Department within thirty (30) days from date of hire, mid-year change and annually during Open Enrollment.
- C. For regular full-time employees electing the Medical Plan Opt-Out Option, the employee will receive a taxable biweekly cash payment as follows:
 - 1. As soon as administratively possible, \$120.
 - 2. Effective 12/10/2023, \$145.
 - 3. Effective 12/8/2024, \$147.
 - 4. Effective 12/7/2025, \$150.
 - 5. Effective 12/6/2026, \$153.
- D. For regular part-time employees electing the Medical Plan Opt-Out Option, the employee will not be eligible to receive a taxable biweekly cash payment.

Sec. 403 **Continuation Of Health Plan:** Should an employee exhaust their sick leave and go on medical or maternity leave of absence without pay, the County agrees to continue to make its contribution to the medical plan in compliance with the requirements of the Family Medical Leave Act. The amount of the County contribution is based upon the employee's regular work schedule in the pay period immediately preceding the placement of the employee on leave of absence without pay.

Sec. 404 **Health Insurance Plan Changes:** The parties agree that the County retains the exclusive right to make changes in accordance with law and good professional practice necessary to administer the Cafeteria Plan, and the Association specifically waives any rights it may have to meet and confer with respect to the decision or impact of such changes.

- Sec. 405 **State Disability Insurance (SDI):** The parties agree to continue participation in the employee paid State Disability Insurance Program (SDI) pursuant to applicable State regulations and the following provisions:
- A. For purposes of this Section only, the term “employee” shall include regular employees assigned to County classification. Inclusion in the SDI program will not confer any representation rights to temporary help employees nor in any way alter the definition of “employee” in the County’s Personnel Rules and Regulations or this Agreement.
 - B. If the bargaining unit chooses to withdraw from SDI, the membership must present a majority petition indicating such desire.
 - C. This program will be administered by the County.
 - D. The employee shall pay all costs of the program.
 - E. Per State regulations, benefits for employees not previously covered by SDI shall become effective approximately seven (7) months after enrollment.
- Sec. 406 **Association-Management Committee:** The parties agree to the continuation of a joint Management/Labor health care cost containment committee. Such committee shall meet quarterly for the purpose of discussing cost containment alternatives and expansion of flexible benefit program options, reviewing financial progress of the health plans, matters related to the administration of the HRA plan, and assisting in educational activities.

ARTICLE 5 OTHER BENEFITS AND PREMIUM PAY

- Sec. 501 **Mileage Reimbursement:** Employees who are required to use their personal vehicles for County business shall be reimbursed at a rate equivalent to the standard mileage rate established by proclamation of the Internal Revenue Service.
- Sec. 502 **Necessary And Actual Expenses:** Necessary and actual expenses incurred by an employee while attending to business of the County may be reimbursed with the approval and authorization of the Agency/Department Head. A statement of justification satisfactory to the Auditor shall be submitted with the claims. Such reimbursement, however, does not apply wherever the provisions in law provide for payment of such expenses.
- Sec. 503-I **Bilingual Premium Pay (Medical Examiner Investigators:**
- A. Regular Medical Examiner Investigators (MEIs) whose positions require the use of bilingual skills shall receive the bilingual premium pay shown in (B) below per hour compensated, per biweekly pay period, not to exceed eighty (80) compensated hours per pay period. Such premium pay shall be in addition to their base pay. To be eligible to receive this premium pay, upon the recommendation of the Department/Agency Head and the Director-Human Resources, the County Executive Officer must designate that such payment shall be made. In order to receive this bilingual premium pay, MEIs must demonstrate a language proficiency acceptable to the Agency/Department Head and the Director-Human Resources.
- B. The level of an MEI's bilingual proficiency shall be determined by an examination administered by the Director-Human Resources. MEI's assigned to such positions shall be eligible for bilingual premium pay at the level of their position or the level of their proficiency, whichever is less, subject to the conditions set forth herein.

The rates for the respective levels are:

<u>Bilingual Level</u>	<u>Premium Pay</u>
I	\$.65/hour
II	\$.80/hour
III	\$1.10/hour

MEI's in positions eligible to receive this premium shall receive the appropriate rate per hour compensated per biweekly pay period, not to exceed eighty (80) compensated hours per pay period. Such premium pay shall be in addition to their base pay. To be eligible to receive this premium pay, upon the recommendation of the

Agency/Department Head and the Director-Human Resources, the County Executive Officer must designate that such payment will be made.

Sec. 504 **Deferred Compensation:** As provided below, employees covered under the provisions of this Agreement may participate in the County's Deferred Compensation Program. Participation in said plans shall be subject to the rules and regulations applicable to the plans.

- A. Employees scheduled to work at least forty (40) hours per biweekly pay-period may participate in the County's Deferred Compensation Program 457 Plan.
- B. Employees scheduled to work at least forty (40) hours per biweekly pay-period may participate in the County's 401(k) plan. Participating employees must contribute at least one percent (1%) of compensation and can contribute up to the annual maximum elective 401(k) deferral allowed by the Internal Revenue Code (IRC). The County shall match up to three percent (3%) of the employee's contribution in accord with the following formula:

<u>Employee Contribution</u>	<u>County Match</u>
1%	1%
1.5%	1.5%
2.0%	2.0%
2.5% (to the annual IRC maximum)	2.5%

Effective August 4, 2024, the below schedule will replace the schedule above.

<u>Employee Contribution</u>	<u>County Match</u>
1%	1.00%
2.0%	1.50%
3.0%	1.75%
4%	2.00%
5%	2.50%
6% or more	3.00%

For purposes of this sub-section, "compensation" shall equal the sum of the base, hourly wage rate of the employee multiplied by the number of hours paid to the employee during the bi-week provided, however, for purposes of this computation, the maximum number of hours to be used as a factor is eighty (80). In no case shall the County be required to "match" any "contribution" by the employee once the annual IRC maximum has been reached.

C. Non-Elective Contribution

Effective February 9, 2024, (pay period 2024-3) and annually thereafter in the third pay period of subsequent years, the County will make a non-elective contribution equal to two percent (2%) of annualized compensation to the 401(k) account of each eligible employee covered by this Agreement and within the Medical Examiner Investigator series (Medical Examiner Investigator I/II, Senior Medical Examiner Investigator). To be eligible for the non-elective contribution, an employee must be on the active payroll as of December 31 of the calendar year immediately preceding the payment date, possess a minimum of five (5) years of continuous County service as of December 31, and be scheduled to receive a regular (not final) paycheck for the pay period in which the non-elective contribution is to be made (i.e., third pay period).

For example, an employee covered by this Agreement, in one of the above-mentioned classifications, who is employed as of December 31, 2023, and possesses six (6) years of continuous County service as of that date, and is scheduled to receive a regular pay check in pay period 2024-3, shall be eligible for the non-elective contribution to their 401(k) plan. The non-elective contribution is subject to all applicable IRS limitations.

Mileage, travel time, and other actual expense reimbursement received as a result of service as a witness may be retained by the employee. Any fee or compensation for the service itself must be returned to the County for any day of absence for which the employee receives pay as for a day worked, except that if such service occurred during the employee's vacation leave or other authorized leave of absence, then the employee may retain the fee or compensation paid for such service.

- Sec. 506 **Jury Service:** Fees shall be retained and no deductions shall be made from the pay of a regular employee absent from work when required to appear in court as a juror. For example, if an employee successfully completes an approved undergraduate course that costs \$1800, the employee is eligible for reimbursement up to \$850 in years 1 and 2, and \$100 in year 3. In no event shall expenses be reimbursed that are more than three years old.

- Sec. 701 **Normal 80-Hour Biweekly Work Schedule:** Except as may be otherwise provided, the “normal” biweekly work schedule of the County of Ventura shall be ten (10) working days of eight (8) hours each. It is the duty of each Department/Agency Head to arrange the work of the department/agency so that each regular employee therein shall work no more than the normal schedule, except that an Agency/Department Head may require any employee in the agency/department to temporarily perform service in excess of the normal schedule when public necessity or convenience so requires. The provisions of this Article are intended to define the normal work schedule and do not guarantee a minimum number of hours of work. The County retains its right to relieve employees from duty because of lack of work or for other legitimate reasons; however, this does not preclude employees from grieving the practical consequences of that action.
- Sec. 702 **Other Allowable Work Schedules:** An Agency/Department Head may, following communication with the employees involved, assign employees of the Department/Agency to any other schedule which aids the Department's/Agency's ability to serve the public if such schedule is not a violation of State or Federal law. The County agrees to consult with the Association prior to the employees being placed on a modified work week.
- Sec. 703 **Work Schedule Changes:** The County and the Association agree to meet and discuss problems with, or changes in, work schedules on a Agency/Department basis during the term of this Agreement upon request of either party.
- Sec. 704 **Variable Work Hours Program:** Variable Work Hours will be defined as either a “Compressed Work Schedule” or a “Flexible Work Schedule.” A “Compressed Work Schedule” is defined as a schedule which permits employees to finish their usual number of working hours in fewer days per pay period either by working the normal weekly hours in four days (4/10) or the normal biweekly hours in nine days (9/80). A “Flexible Work Schedule” gives employees the options of changing their starting and ending times on a periodic, “open-season” basis as determined by the employee in consultation with management.
- A. **Conditions:** When a variable work hour arrangement is implemented, the following conditions will apply: The determination to implement a variable work hour program shall be at the sole discretion of the Agency/Department Head.

- F. Any employee requesting change in a schedule or a Flexible Work schedule will require their supervisor's approval, subject to management's review.
- G. Any change in scheduled working hours shall be at the sole discretion of the appropriate supervisor or manager.
- H. Preference in selecting a day off, or variable hours starting and ending time, may be given to employees with ridesharing arrangements, or dependent care considerations. This is a guideline for use by managers in determining workflow and coverage issues.
- I. Holiday benefits for employees on a variable work schedule are to be computed on the basis of the number of hours the employee is usually scheduled to work. For example, an employee assigned to work a 4/10 schedule is eligible to receive 10 hours of leave with pay; an employee assigned to a 9/80 schedule would receive 9 hours of leave with pay (unless the holiday falls on their 8-hour day. If the holiday falls on an employee's regular 4/10 or 9/80 day off, the 10, 9 or 8 hours (whichever is appropriate) will be credited as additional vacation time.
- J. Employees and managers/supervisors may be required to complete periodic surveys to evaluate the effects of the program.
- K. Employees participating in the program will be required to sign an agreement that they have read and understand the program.

Sec. 802 **Payment Of Compensatory Time Upon Termination:** Any employee who terminates or is terminated, shall be paid the equivalent of their hourly rate of pay for each hour of accrued compensatory time off. The compensation resulting from this provision shall be based upon the rate of pay in effect for such person on the last day actually worked, spent on authorized leave or spent on authorized time off as compensation for overtime.

Sec. 803 **Standby Premium Pay:** Should an employee be placed on standby duty, such an employee shall be compensated for actual time on call at one-quarter (1/4) of their regular hourly wage or at the Federal minimum wage, whichever is greater, and for time worked as a result of a callback to duty at their hourly wage when funds for such purposes have been specifically appropriated by the Board after specific inclusion in the Agency/Department budget. In no instance shall a callback to duty be considered as less than two (2) hours for pay purposes. No employee shall be paid for call back time and standby simultaneously.

Sec. 804 **Callback:** The minimum callback for employees covered by this Agreement shall be two (2) hours.

Sec. 805 **Overtime Compensation – Medical Examiner Investigators:** Medical Examiner Investigators (MEIs) regularly assigned to a five (5) day, eight (8) hour schedule shall be paid in cash at a rate of one and one-half times all hours worked in excess of eight (8) hours per twenty-four (24) hour period or all hours worked in excess of eighty (80) in a pay period. MEIs regularly assigned to a four (4) day, ten (10) hour schedule shall be paid in cash at a rate of one and one-half times all hours worked in excess of ten (10) hours per twenty-four (24) hour period or all hours worked in excess of eighty (80) in a pay period provided, however, in no case shall the 3% salary increase provided by the “Retirement Salary Offset” described in Article 2 be included in the calculation for “Contractual” (non-FLSA-mandated) Overtime.

ARTICLE 9 ANNUAL LEAVE

Sec. 901 Purpose: To provide an annual leave policy which prescribes the manner in which annual leave is accrued and utilized. Annual leave is only authorized for regular, provisional, or less than full-time employees.

Sec. 902 Accrual Rates: Full-time employees shall accrue hours of annual leave with pay for each hour of compensation to a maximum of 80 hours per biweekly work period according to the following schedule:

<u>Compensable Hours</u>	<u>Annual Leave Credit Earned per Hour</u>	<u>Annual Leave Accrual</u>

29,120 hours (Approximately 14Years)	.1115	29 working days
31,200 or more (Approximately 15 or more Years)	.1154	30 working days

Annual leave is earned according to each biweekly pay period of service commencing with the hire date of their latest period of County employment.

Sec. 903 **Maximum Accrual:**

- A. Effective July 2, 2006, for employees in the Medical Examiner Investigator series, the maximum number of hours that an employee can accumulate shall be 600 hours. It is the mutual responsibility of the employee and the department or agency head to assure that no employee shall exceed said maximum accrual.
- B. Annual Leave Credit Accumulation During a Natural Disaster: During a natural disaster, as defined in Section 1804 of the Ventura County Personnel Rules and Regulations and as declared by the Ventura

County Board of Supervisors, employees shall, notwithstanding the accrual limit set forth in Sec. 903(A), above, be permitted to continue to accrue annual leave hours of up to 60 hours in excess of the applicable maximum annual leave credit accrual limit. Such accruals in excess of the applicable maximum annual leave credit accrual limit may occur only during the period of the declared natural disaster and in no case shall the total number of accrued hours of any employee exceed 60 hours over the applicable maximum accrual limit, as set forth in Sec. 903(A), above.

Sec. 904 **Annual Leave Redemption:**

- A. Medical Examiner Investigator Classifications: An employee may elect to receive pay in lieu of up to eighty (80) hours (or for those with 10,400 hours or more of continuous County service up to one hundred twenty (120) hours) of annual leave at the employee's current base hourly rate of pay. In no event shall the total number of hours redeemed pursuant to this provision exceed eighty (80) or for those with 10,400 hours or more of continuous County service one hundred twenty (120) hours, of an employee's annual accrual in any one calendar year.
- B. Employees Hired After Commencement Of The 2015-2018 Agreement: An employee may elect to receive pay in lieu of up to eighty (80) hours (or for those with 10,400 hours or more of continuous County service, up to one hundred (100) hours) of annual leave at the employee's current base hourly rate of pay. In no event shall the total number of hours redeemed pursuant to this provision exceed eighty (80) or for those with 10,400 hours or more of continuous County service, up to one hundred (100) hours, of an employee's annual accrual in any one calendar year. The parties recognize that on the date of adoption of the 2015-2018 Agreement, a single Medical Examiner Investigator position (# 00002340) was vacant. The parties agree that this sub-section "C" shall not apply to the Medical Examiner Investigator subsequently hired on April 24, 2016, to fill that vacant position.
- C. An irrevocable election for any of the payments described in (A) or (B) or (C) of this section shall be made in the calendar year preceding that in which the payment is to be received subject to the following conditions:
 - 1. Any employee wishing to receive cash in lieu of annual leave hours must submit an irrevocable written election by December 31 of the calendar year prior to the calendar year in which the employee wishes to redeem annual leave hours for cash.

2. After a qualified election is made, employees may request cash-out payments during the calendar year for which the election was made by submitting requests for payment in the ordinary payroll process. An employee may make up to two requests per calendar year for payment in lieu of the combined annual maximum described in (A) or (B) or (C) of this section. Only annual leave hours already accrued in the calendar year for which an election is made may be cashed out. Cash-outs for annual leave hours accrued in prior calendar year are not allowed.

The Association and County agree that a temporary exception to the above requirement that only annual leave hours already accrued in the calendar year for which an election is made may be cashed-out shall apply to employees who submit a notice of intent to retire to the Ventura County Auditor-Controller's Office in the calendar year in which the annual leave will be cashed-out. As such, if an employee has accrued less annual leave in a calendar year than she/he wishes to cash-out at a given time, the employee may cash-out annual leave hours carried over from prior calendar year, if and only if the following conditions are met:

- a. At the time the employee made an irrevocable election to receive cash in lieu of annual leave, the employee submitted a notice of intent to retire in the calendar year in which the annual leave will be cashed-out.
 - b. At the time the employee makes a request for a cash-out payment to be paid, the employee submits an irrevocable notice of resignation/retirement on a specified date in the calendar year during which the payment is to be made.
 - c. This exception will expire December 31, 2020, as to employees entitled to Tier II retirement.
3. An employee must use eighty (80) hours of accrued annual leave during the twelve (12) months preceding a cash-out payment request. For this purpose, "use" shall mean actually taking time off work and being paid annual leave pay for such time off. If the employee has not used the required accrued annual leave hours in the twelve (12) months immediately preceding the cash-out, the employee's cash out request shall be denied. If an employee is unable to cash-out by the final payroll processing period of the year because the employee has not used the required eighty (80) hours in the preceding

12 months, the employee shall, for tax purposes, be considered to have had the unlimited right to cash out the amount of accrued annual leave the employee had elected to redeem for cash. If an employee is unable to meet the eighty (80) hour usage requirement, to cash out annual leave by the end of the year as a result of the denial of a written request (or requests) to use annual leave, the employee's election shall be deemed null and void, no cash-out shall be allowed, and the employee shall not have taxes reported or withheld on the value of the annual leave hours that the employee had been eligible to receive. In order to request that an election be deemed null and void, the sum total of both the hours requested in the denials and actual annual leave hours utilized by the employee in the election year must equal at a minimum 80 hours. It is the responsibility of the employee to submit the written denials to the Auditor-Controller's office at the time the request is made to void the election.

4. If an employee fails to request payment for the total annual leave hours elected for cash-out, the County shall unilaterally cash out the elected annual leave hours to the extent that an employee has accrued leave available before December 31 of the calendar year.
5. Annual leave hours used for paid time off will be deducted first from annual leave hours accrued in prior calendar years, and last from annual leave hours accrued in the current calendar year.
6. Employees who are eligible for annual leave redemption and do not make an affirmative election by the end of the calendar year shall be deemed to have irrevocably elected not to redeem annual leave for pay in the subsequent calendar year.
7. Employees who experience an unforeseeable emergency may be permitted to make a new irrevocable election and redeem annual leave hours for cash (or to increase the amount of a prior election) during the calendar year in which the unforeseeable emergency occurs. For these purposes, "unforeseeable emergency" means a severe financial hardship to the employee resulting from an illness or accident of the employee, the employee's spouse, or a dependent of the employee, loss of the employee's property due to casualty, or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the participant. The amount of such new election (or increase in a prior election) shall be limited to the amount

necessary to satisfy the unforeseeable emergency plus an amount necessary to pay taxes reasonably anticipated as a result of the cash-out, after taking into account the extent to which the hardship is or may be relieved through reimbursement or compensation by insurance or otherwise or by liquidation of the employee's assets (to the extent that liquidation of the employee's assets would not itself cause severe financial hardship). Whether an occurrence is an unforeseeable emergency shall be determined by the Auditor-Controller's Office in its sole discretion.

8. If it is subsequently determined by the Auditor-Controller, the Internal Revenue Service, a court of competent jurisdiction or another governing authority that the leave redemption provisions in place prior to December 1, 2017, or substantially similar, will not trigger constructive receipt of income from accrued leave, the SPOAVC may, at its sole option, compel the County to reopen negotiations in order to restore the leave redemption provisions in place prior to December 1, 2017, or something substantially similar that will not trigger constructive receipt of income from accrued leave.
9. The Human Resources Division and Auditor-Controller's Office shall develop forms and procedures for implementation of this program.

Sec. 905 **Advanced Annual Leave Credit:** Effective July 2, 2006, new full-time employees shall receive 43.064 hours of advanced annual leave accruals as of the date of hire. Said annual leave advancement shall be balanced upon working of 560 hours of compensable hours of service or upon earlier separation.

Sec. 906 **Prior Sick Leave Accruals:**

- A. Current sick leave balances shall be frozen as of July 2, 2006. Sick leave may be used until the sick leave balance is exhausted. Payment for unused sick leave will be made.

Upon retirement or termination, except for cause, after 20,800 hours of continuous County service – 25%.

- B. Employees requesting time off for illness or injury may use accumulated sick leave prior to using annual leave.
- C. Remaining sick leave credits shall be allowed to an employee for absence from duty because of serious illness or injury of members of the employee's immediate family.

Sec. 907 **Annual Leave Usage:**

- A. Each Department/Agency head shall be responsible for scheduling the annual leave periods of their employees in such a manner as to achieve the most efficient functioning of the department or agency and of the County service. The appointing authority shall determine when annual leave will be taken.
- B. Employees claiming illness or injury as grounds for unscheduled usage of annual leave may be required to furnish a certificate issued by a licensed physician or nurse or other satisfactory evidence of illness. Any person absent from work shall notify their department or agency head on the first day of such leave and as often thereafter as directed by their agency or department head. The Director-Human Resources or the Department/Agency Head may request that a medically trained employee verify the employee's illness by a visit to the employee's residence.
- C. An employee absent due to his/her illness or injury for more than 5 consecutive workdays shall not be entitled to use annual leave for their absence on any day after the 5 days unless and until the employee presents to the appointing authority a certificate signed by their physician stating that the employee was ill or injured on each day of such absence. Any employee absent for a period of 5 consecutive work days due to illness or accident may, at the discretion of the appointing authority or the County Director-Human Resources be required to take a physical examination before returning to active duty. Such physical examination shall be performed by a physician designated by the Director-Human Resources and shall be at County expense.

Sec. 908 **Pay for Annual Leave on Termination:** Any employee who terminates or who is terminated shall be paid at the then prevailing hourly rate of pay for each hour earned of annual leave based on the pay rate in effect for such person on the last day actually worked, spent on authorized leave, or spent on authorized time off as compensation for overtime.

Sec. 909 **Rate of Pay While on Annual Leave:** While on annual leave, employees shall be compensated at the same hourly rate of pay/salary rate they would have received if they had been on the job.

Sec. 910 **Annual Leave While on Temporary Disability Leave Without Pay:** An employee who is on temporary disability leave of absence without pay as provided for in these Articles, shall accrue annual leave during the period the employee is on such temporary disability leave without pay.

Sec. 911 **Use of Annual Leave When Permanently Incapacitated:** Annual leave shall not be used to continue the hourly rate of pay/salary of any employee after it has been determined by the County's Employee Health Services physician that such employee is permanently incapacitated for a return to County employment and is eligible for retirement. Annual leave credits may be utilized by such employee until such a determination has been made and appropriate action has been taken by the Ventura County Retirement Board.

- A. In addition to the holidays listed above, effective January 1st of each year, each regular, full-time employee covered under the terms of this Agreement, shall be granted floating holiday leave hours equivalent to the employee's standard daily work schedule. For employees on 9/80 schedules, such Holiday Leave shall be equivalent to the work schedule for the day of the Holiday. Use of annual floating holiday leave requires prior management approval.

The purpose of granting annual floating holiday leave hours is to provide employees with an additional day off with pay. Therefore, an employee's annual floating holiday leave hours shall be utilized in their entirety to cover a single day's absence. In no instance will an employee be allowed to split the annual allowance of floating holiday leave hours over multiple days.

- B. Regular less than full-time employees shall be granted the leave provided under (A) above on a pro-rata basis.

Sec. 1003 **Holiday Pay:** If a holiday falls within a biweekly pay period in which an employee is compensated, then such employee shall be given leave with pay for each holiday occurring within that biweekly pay period. Such pay shall be equivalent to that paid for the hours in the employee's standard daily work schedule. For employees on a 9/80 work schedule, such holiday pay shall be equivalent to the work schedule for the day of the holiday. If an employee works a variable schedule, then the hours shall be granted based on an average daily work schedule. Hours granted under this section shall in no case exceed twelve (12) hours.

Sec. 1004 **Work On Holidays:** When an assigned holiday falls on a regularly scheduled work day, and the employee works the assigned holiday, such employee shall receive a cash payment at the then-prevailing hourly rate of pay for one and one-half (1-1/2) times the number of hours actually worked by such employee on the assigned holiday, in addition to payment for the number of hours normally worked by such employee on a regularly scheduled work day. The time and one-half payment described above for all hours actually worked on an assigned holiday, when that assigned holiday falls on a regularly scheduled workday, shall fulfill the overtime obligations of Article 8 of this Agreement. When an assigned holiday falls on a regularly scheduled day off, such employee shall receive a cash payment at the then-prevailing hourly rate of pay for the number of hours normally worked by such employee on a regularly scheduled work day.

For purposes of determining entitlement to holiday pay, when a regularly scheduled work day encompasses two (2) calendar days, the holiday is that day so designated on the Department's published work schedule.

Such physical examination shall be performed by a physician designated by the Director-Human Resources and shall be at County expense.

When travel to distant locations or other circumstances requires absence in excess of the aforementioned five (5) working days, the appointing authority may allow the use of accrued annual leave or vacation, or up to one (1) day of accrued sick leave to supplement the five (5) working days provided in this Section. For the purposes of this Section, "immediate family" shall mean the husband, wife, registered domestic partner, parent, brother, step-brother, sister, step-sister, child, step-child, grandchild, grandparent, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, or step-parent of an employee.

4. Persons appointed from County service reinstatement eligible lists.

Prior service in an extra help status shall not be considered part of the probationary period.

Sec. 1503 **Extension Of Probationary Period:** Employees serving a probationary period may request and the Department/Agency Head on their own initiative may authorize an extension of the probationary period of an additional 80 to 1,040 hours of compensable service in 80-hour increments where insufficient training, marginal performance and other related factors warrant such extension. The Director-Human Resources shall notify the appointing authority immediately in writing of any misrepresentation of fact or false statement made by a probationary employee relating to that employee's obtaining employment with the County.

Sec. 1505 **Return To Previous Position:** A promoted employee who is dismissed during their probationary period, except if the cause warrants action to dismiss him from the County Service, shall (in order):

Space shall be provided on the performance evaluation form for the employee to sign, signifying that the employee has read the supervisor's comments. Space will also be provided so that employees may give related comments of their own relative to the performance evaluation. The opportunity to sign and comment shall be provided prior to the time that the evaluation form is forwarded to the division, department/agency head, or to the Director-Human Resources. If inadequate space is available on the performance evaluation form, an attachment may be added by the employee.

Any documentation of informal counseling shall only be inserted in the employee's department/agency personnel file and such documentation of informal counseling shall not be referenced in any subsequent performance evaluation. A copy of such documentation shall remain in the employee's department/agency file for up to one (1) year, at which point it will be destroyed.
- Sec. 1702 **Written Reprimands:** For disciplinary reasons or, if following the counseling referenced in Section 1701, an employee's performance does not improve and disciplinary action could result, a written report shall be prepared, including specific suggestions for corrective action, if appropriate. A copy shall be given to the employee and a copy filed in their personnel file(s) provided that such letters of written reprimand shall not be referenced in any performance evaluation. If no additional discipline has been imposed during the intervening period, each report shall be removed from the employee's file at the end of two (2) years upon written request by the employee. The County agrees that such reports shall not be submitted nor should any reference be made to such reports by the County in arbitrations arising from appeals or grievance after the two-year period provided for under this Section.
- Sec. 1703 Notwithstanding the provisions of Section 1701 above, nothing precludes management from citing and/or evaluating, in the employee's annual performance evaluation, the events or behavior which resulted in the documentation of informal counseling or written reprimand. If, in management's opinion, the employee's performance or behavior which led to the documentation of informal counseling or written reprimand has improved, such improvement should be noted in the employee's subsequent annual performance evaluation.
- Sec. 1704 **Immediate Discipline:** This Article shall not operate as a bar to immediate suspension, demotion, reduction in pay, or dismissal where an employee's conduct or performance warrants such action and where such action is permissible under law.

If the employee refuses to sign the material, it shall be placed in their personnel file with an appropriate notation by the person filing it.
- Sec. 1802 **Full Right Of Inspection Of Employee Personnel File:** With the exception of confidential items such as reference letters and oral examination rating sheets, an employee shall have the right to inspect the contents of their personnel file, or the employee may designate in writing their representative to inspect the file. Such consideration shall be made in accordance with the provision of Section 808 of the Ventura County Personnel Rules and Regulations.

Sec. 1908 **Transfer Within Agency/Department:** An employee desiring transfer to another position in the same Agency/Department within which they are employed, may request consideration for transfer by memo to the designated Agency/Department personnel officer.

- A. All incentive or differential payments to existing employees shall cease.
- B. Except for emergency situations as declared by the County, no overtime will be authorized or paid.
- C. All merit increases may be delayed twenty-six (26) pay periods.
- D. Employees shall be laid off in the following order:
 - 1. Extra help employees
 - 2. Provisional employees
 - 3. Fixed term (only those positions filled with Regular and Probationary employees).
 - 4. Temporarily promoted employees
 - 5. Probationary employees
 - 6. Employees who, within the twenty-six (26) pay periods immediately prior to the layoff, have received a disciplinary suspension of more than one (1) scheduled workday, demotion or reduction in pay equal to a suspension of more than one (1) scheduled work day. If an employee has been demoted as a result of this provision then, for further reduction in force decisions, such disciplinary action will not be considered.
 - 7. Regular employees.

Sec. 2002 **Seniority:** Seniority shall be determined by each employee's continuous County service. All uninterrupted employment with the County, including all compensated hours exclusive of overtime as a provisional, probationary, fixed-term, regular or regular less than full-time employee, shall be counted as continuous County service seniority. A separation from the County service shall be the only cause for interrupting employment with the County. A separation of three (3) or fewer days shall not be considered a break in service. All authorized leaves of absence shall not constitute a break in service, but all time spent on a leave of absence shall not count toward seniority.

Sec. 2003 **Order Of Layoff:** The determination of which employee(s) shall be laid off shall be made within each Agency/Department on a classification by classification basis. The County shall designate classification(s) to be affected. The order of layoff shall be determined by length of seniority.

The provisions of these Articles shall govern such transfers and/or voluntary demotions and transfers. If there are two (2) or more employees to be laid off and they opt to exercise this right and request to transfer and/or demote and transfer to the same vacant position, then the employee(s) with the greatest seniority shall have the right to fill such vacancy(ies). If the seniority status of these employees is equal, the appointing authority shall have the right to fill such vacancy.

Sec. 2005 **Demotion In Lieu Of Layoff:** If there are no vacant positions to which a regular employee who is to be laid off can transfer and/or demote and transfer, then such regular employee shall have the right to demote to any class within their Agency/Department in which that employee previously held permanent status. Bumping shall not be restricted to classes within a bargaining unit. Should an employee bump into a class in another bargaining unit, then the layoff procedures applicable to that bargaining unit shall be controlling. There does not need to be a vacant position within the classification for an employee to exercise this right. If, as a result of the exercise of this right, layoffs must occur in the classification to which that employee was demoted, then such layoff shall be made in accordance with the provisions of the agreement which is controlling for the classification.

Sec. 2006 **Reemployment:** All persons who have been laid off as a result of a reduction in workforce shall have their names placed on a Reemployment Eligible List for the classification in which they were employed immediately prior to being laid off. There shall be two (2) Reemployment Eligible Lists: one which includes only the names of the laid off employees within a department or agency, and the other which has the names of all other County employees who were laid off. The department or agency reemployment list shall have priority over the County-wide list. Eligibles on the Reemployment List shall be ranked in reverse order of the order of layoff. Each person's name shall remain on such list for a period of two (2) years following the date that their name was placed on such eligible list, or until they have been re-employed, or until their name has been removed from the eligible list in accordance with the provisions of Section 716 of the

Ventura County Personnel Rules and Regulations, whichever occurs first. Eligibles on the reemployment list shall be re-appointed to vacant positions as they occur in the classification and agency/department in which they were employed immediately prior to layoff.

Sec. 2007 **Classification Reinstatement:** All employees who have demoted to a lower classification as a result of a reduction in workforce shall have their names placed on a Classification Reinstatement List for the classification from which they were demoted. There shall be two (2) Classification Reinstatement Lists: one which includes only the names of the demoted employees within a department or agency, and the other which has the names of all other County employees who were demoted from the specific classification. Sec. 2602 **Written Order For Demotion, Suspension, Reduction In Pay, Dismissal:** The continuing employment of every regular employee shall be contingent upon good behavior. Any such employee may be dismissed, demoted, suspended, reduced in pay, or demoted and suspended for cause as specified in Section 2603 by the appointing authority in the following manner:

- A. The appointing authority shall serve upon the employee a Notice of Proposed Disciplinary Action stating the nature of the proposed action and its effective date. Such Notice shall also set forth in writing the reasons for the proposed disciplinary action, a statement of the charges upon which the action is to be based, a notice to the employee that the employee has the right to review the materials being used against him, and a statement advising the employee that he has a right to respond to the charges. A duplicate of that Notice must be filed with the Director-Human Resources and SPOAVC.
- B. Within seven (7) calendar days from receipt of the Notice of Proposed disciplinary Action, unless additional time is otherwise specified by the appointing authority in said Notice of Disciplinary Action, the employee may respond to the proposed action. Such response may be presented orally or in writing. The employee has the right to have a SPOAVC representative if the employee so chooses.
- C. At the completion of the period provided in "B" above, the appointing authority shall review the employee's response, if any, and make a determination whether to cancel, amend, or sustain the proposed action. If the appointing authority decides to amend or sustain the proposed action, the employee will be served with Notice of Disciplinary Action again setting forth in writing the reasons for disciplinary action and offering a statement of the charges upon which the action is based.

The Notice of Disciplinary Action shall also advise the employee that the action being taken is final, and apprise the employee of the employee's right to request that SPOAVC submit the matter to arbitration within fourteen (14) calendar days. A duplicate of that Notice must be filed with the Director-Human Resources and SPOAVC.

- Sec. 2603 **Causes For Demotion, Suspension, Reduction In Pay, Dismissal:** In accordance with Section 1345.1.4.13.1 of the Ventura County Ordinance Code, causes for disciplinary action are as follows: fraud in securing appointment, incompetency, inefficiency, inexcusable neglect of duty, physical or mental disability, insubordination, dishonesty, drunkenness on duty, intemperance, addiction to the use of narcotics or habit forming drugs, inexcusable absence without leave, conviction of a felony or misdemeanor involving moral turpitude, immorality, discourteous treatment of the public or other employees, improper political activity in violation of Article 24 of the Ventura County Personnel Rules and Regulations or Sections 1351 and 1351.1 of the Ventura County Ordinance Code, willful disobedience, violation of any provision of Article IV of the Ventura County Ordinance Code, which among other things includes the corrupt use of official authority or influence, or any other failure of good behavior or acts which are incompatible with or inimical to the public service.
- Sec. 2604 **Disciplinary Reduction In Pay:** In accordance with the necessity for taking disciplinary action, the pay of a SPOAVC represented employee may be reduced by either 2% or 5% for a period of time not to exceed thirteen (13) pay periods for any one offense.
- Sec. 2605 **Suspension Without Pay:** Suspension without pay may be imposed not to exceed thirty (30) calendar days. Whenever an employee is suspended without pay, no pay shall be given to the suspended employee for the duration of the employee's suspension and such suspension shall be treated as an authorized leave of absence without pay for purposes of vacation and sick leave accruals.
- Sec. 2606 **Demotion:** The employee may be demoted to a classification which has a lower pay range than the position currently occupied. In cases of disciplinary demotion, the rate of pay of the employee shall be adjusted to a point in the pay range of the position to which the employee has been demoted which is approximately 5% lower than the rate of pay the employee was receiving in the higher class. If the top step of the pay range of the position to which the employee has been demoted is more than 5% lower than the rate of pay the employee was receiving in the higher class, the employee shall receive the top step of the pay range of the position to which the employee has been demoted. An employee so demoted shall not have their merit increase hours needed reset.
- Sec. 2607 **Disciplinary Action Imposed During Probationary Period:** The appointing authority may dismiss, demote, suspend, demote and suspend or impose any other disciplinary action on any probationary employee during the probationary period. Neither a probationary employee nor SPOAVC may request arbitration of any disciplinary action taken against an employee during the probationary period.

A promoted employee who is dismissed during the probationary period shall return to the position in which the employee held permanent status, if vacant, or any other vacant position in their former classification in the Agency/Department. If no such vacancy exists, every reasonable attempt will be made by the appointing authority to retain the employee in an underfill capacity. Only if there is no vacancy and the appointing authority is unable to make reasonable accommodation, the employee shall be placed on a leave of absence without pay not to exceed one year and shall be granted the first position that becomes available in their former classification. The above provisions shall not apply if the cause of the dismissal warrants dismissal from County service. If the cause for dismissal warrants dismissal from County service, the employee may request that SPOAVC submit the matter to arbitration.

Sec. 2608 **Non-Discrimination:** Disciplinary actions shall be taken without regard to race, color, national origin, religion, sex, age, functional limitation, or Association activity.

Sec. 2609 **Request For Arbitration:** If an employee wishes to appeal a disciplinary action, the employee shall ask that the matter be submitted to arbitration by SPOAVC. If SPOAVC concurs, it shall submit to the Director-Labor Relations, in writing, within fourteen (14) calendar days of the employee's receipt of the Notice of Disciplinary Action, a request that the matter be submitted to arbitration. Upon receipt of SPOAVC's request, the Director-Human Resources shall, within fourteen (14) days, request a panel of five (5) names from the State Mediation and Conciliation Service or some other mutually agreeable list. Within seven (7) calendar days of the receipt of that list, the parties shall jointly select an arbitrator. In the event the parties are unable to select an arbitrator, they shall alternately strike names from the list with the last name being the arbitrator selected. The party striking the first name shall be determined by lot.

Prior to an arbitration hearing, the Association and the County, by mutual agreement, may request the assistance of a mediator from the State Conciliation Service in an attempt to resolve the matter. Any resolution reached by the mediator must have the agreement of the Association and the County. In the event the issue is not resolved, concessions agreed to or offered during mediation shall not be admissible as a subsequent arbitration hearing.

Sec. 2610 **Arbitration Costs:** The costs of the arbitrator shall be paid by the losing party. In the event the arbitrator modifies the discipline imposed, the costs shall be shared equally by the parties. Costs of the court reporter, if any, shall be paid by the party who requested the presence of the reporter; however, nothing shall preclude the parties from agreeing to share equally in the costs of the reporter. If a cancellation fee is imposed on the parties

by the arbitrator, it shall be paid by the party whose actions were responsible for the imposition of said fee.

Sec. 2611 **Scope Of Arbitrator's Authority:** The Arbitrator shall have no power to alter, amend, add to or subtract from the provisions of this Article or any other terms of this Agreement. If the Arbitrator finds that some or all of the charges are true, then the employee shall make a decision confirming or modifying the action of the appointing authority provided, however, that their authority to modify the appointing authority's action is limited to those disciplinary actions described in Section 2602. The arbitrator shall have no authority to increase the discipline imposed by the appointing authority.

Notwithstanding the provisions of Section 2605, nothing shall preclude the Arbitrator from ordering the reinstatement of an employee with or without back pay. The decision of the Arbitrator shall be final and binding, subject to judicial review pursuant to Title 9 of Part 3 of the Code of Civil Procedure of the State of California, upon the employee, the County, and if applicable, SPOAVC.

Sec. 2612 **Governing Provisions:** All arbitration proceedings arising under this Article shall be governed by the provisions of Title 9 of Part 3 of the Code of Civil Procedure of the State of California. However, Code of the Civil Procedure Section 1283.05, relating to discovery, shall not be a part of this Agreement. Further, subpoenas duces tecum may be issued by the attorney or other representative of a party as well as by the arbitrator. All other provisions relating to subpoenas found in Chapter 3 of Title 9 of the Code of Civil Procedure shall apply.

Sec. 2613 **Arbitrability:** If either the County or SPOAVC shall claim before the Arbitrator that a particular request for arbitration fails to meet time limits, or is in some other manner defective, and, thereby, fails to meet the tests of arbitrability, the Arbitrator shall proceed to decide such issue before hearing the case upon its merits. The Arbitrator shall have the authority to determine whether the employee shall hear the case on its merits at the same hearing in which jurisdictional question is presented. In any case, where the Arbitrator determines that such appeal fails to meet said test of arbitrability, the employee shall refer the case back to the parties without a decision or recommendation on its merits.

Sec. 2614 **Report Of Hearing:** The Arbitrator shall render a report to the parties in writing, including reasons for any decision, within thirty (30) calendar days of the completion of the hearing. Failure to comply with this provision shall result in the automatic waiver of all arbitration, per diem, preparation, and related fees.

Sec. 2615 **Vacation Of Order:** A decision of the Arbitrator may be modified or vacated, in whole or in part, and a new or further hearing granted on all or part of the

issues on the application of a party to the arbitration for any of the following causes, materially affecting the substantial rights of the parties:

- A. Irregularity in the arbitration proceedings, or any order of the Arbitrator or abuse of discretion by which either party was prevented from having a fair hearing.
- B. Accident or surprise, which ordinary prudence could not have guarded against;
- C. Newly discovered evidence which could not, with reasonable diligence, have been discovered and produced at the hearing and which is material to the question that was before the Arbitrator;
- D. Error in law, occurring at the arbitration and excepted to at the arbitration by the party marking the application or motion.

Sec. 2616 **Application For Vacation Of Order:** The application or motion to the Arbitrator shall be made either before the signing of the order of the Arbitrator or within fourteen (14) calendar days of the Arbitrator mailing notice of the order and shall designate the grounds upon which vacation is requested.

Should the Arbitrator grant a hearing on the application or motion, the Arbitrator shall, after review of the application or motion, specify the ground(s) for granting the application or motion. At the hearing, the evidence introduced shall be limited to the ground(s) upon which the hearing was granted. At the conclusion of the hearing, the Arbitrator shall either confirm his prior findings and decision or issue a new finding and decision.

The filing of an application under this Section shall not necessarily exhaust administrative remedies and the application or motion shall not operate to stay the effectiveness of the Arbitrator's order except by discretion of the Arbitrator upon a showing by affidavit of emergency or hardship should the order not be stayed.

ARTICLE 31 TERM LIFE INSURANCE

Sec. 3101 **Term Life/Accidental Death and Dismemberment Insurance:** Effective April 22, 2018, the County shall provide a term life/accidental death and dismemberment insurance policy to all employees covered by this Agreement in the amount of fifty thousand dollars (\$50,000). Additional group term life insurance may be purchased at the employee's expense. The above-described life insurance is only in effect as long as County employment continues.

ARTICLE 32 EMPLOYEE INCENTIVE PROGRAMS

Sec. 3101 New Hire Incentive: Effective the first full pay period after approval by the Board of Supervisors, upon agency head recommendation and with the approval of the County Executive Officer or designee, an employee who is newly hired may receive a one-time New Hire Incentive of up to ten percent (10%) of the newly hired employee's current annual base wage. For purposes of this provision, "newly hired" means the employee was appointed from an open competitive recruitment and may not be a current employee or may not have been previously employed by the County of Ventura within the preceding 12 months. Further, the employee shall not be qualified for the benefits of this section if said employee received any other new hire incentive. Subsequent to the aforementioned recommendation and approval, to be eligible to receive the New Hire Incentive, the employee must sign a written agreement, acknowledging and agreeing to the repayment stipulations including paycheck deductions for repayment the New Hire Incentive. The incentive will be paid in one lump sum within two (2) pay periods of the recommendation and approval and submission of the required documentation and is subject to state and federal taxes, as well as any applicable payroll deductions.

An employee who received the New Hire Incentive must maintain employment within the County of Ventura agency that originally hired said employee and remain in a SPOAVC-represented classification for a minimum of 4,160 compensable hours from the date of hire. If the employee is unable to satisfy the 4,160-hour requirement due to voluntary or involuntary separation, the employee is responsible for re-payment of the New Hire Incentive that was paid as follows:

Compensable Hours Completed	Pro-rata Repayment
Within the probationary period	100%
After probation period but before 4,159	50%

Sec. 3202 Employee Referral Incentive: Effective the first full pay period after approval by the Board of Supervisors, upon agency head recommendation, and with the approval of the Director-Human Resources, employees shall be eligible to receive the Employee Referral Incentive. Employees who meet the below specified requirements will be eligible to receive a gross amount of five hundred dollars (\$500) per employee referral for classifications designated as eligible for the Employee Referral Incentive. There is no limit to the number of Employee Referral Incentive payments any one employee may receive. The Director-Human Resources or designee shall determine which positions are eligible to receive the Employee Referral Incentive.

The Employee Referral Incentive will be paid in one lump sum within two (2) pay periods of the referred employee completing the required

probationary period. The Employee Referral Incentive is subject to state and federal taxes and any applicable payroll deductions.

The following criteria will be used in determining eligibility for payment of the Employee Referral Incentive:

- A. Referring employee must be an active regular full-time or part-time employee;
- B. The external candidate shall not be a current or former employee, consultant, intern, temporary or student placement who has worked at the County within the last 12 months from the date of posting of the vacancy;
- C. The Employee Referral Incentive will be paid upon the completion by the referred external candidate of the required probationary period;
- D. The referred employee must identify one referring employee on their online application and the referring employee must notify the assigned recruiter of the referral. Award payments will not be split among multiple current employees.

SPOAVC-represented employees who serve as oral raters, on an interview panel, and any employee involved in the assessment or decision-making process of the referred vacancy will not be eligible to receive the Employee Referral Incentive payment.

Sec. 3203 **Employee Retention Incentive:** Effective the first full pay period after approval by the Board of Supervisors, upon agency head recommendation and with the approval of the County Executive Officer or his/her designee, an employee may be eligible for an Employee Retention Incentive. To be eligible to receive an Employee Retention Incentive, an employee must be a high performing employee, an employee with a specialty skill, and/or an employee in a position designated by the County to be difficult-to-retain, and who has been offered, and is considering employment outside of the County.

Employees who wish to be considered for an Employee Retention Incentive must submit verifiable proof of their employment offer from an employer other than the County, with a base wage that is higher than their current rate of pay. A verifiable copy of an offer letter, an email from a representative of the prospective employer, or similar items containing the required wage information will be accepted as proof. The amount of the Employee Retention Incentive will be based upon the verified job offer and shall match the difference between the employee's current annual base wage and the amount of the offer, not to exceed ten percent (10%) of the employee's current annual base wage.

If approved, the incentive will be paid in one lump sum within two full pay periods of the approval of the incentive, and will be subject to state and federal taxes, as well as any applicable payroll deductions.

An employee that accepts an Employee Retention Incentive must maintain employment with the County for a minimum of 4,160 compensable hours. If the employee is unable to satisfy the 4,160-hour requirement due to voluntary or involuntary separation, the employee will be responsible for repayment of the paid Employee Retention Incentive as follows:

Compensable Hours Completed	Pro-rata Repayment
0 – 2,079	100%
2,080 – 4,159	50%

To be eligible for the Employee Retention Incentive, an employee must be in good standing, have passed probation, and must sign a written agreement acknowledging and agreeing to the above repayment stipulations including paycheck deductions for repayment of the Retention Incentive.

Employees shall only be eligible for one Employee Retention Incentive within a 24-month period.

ARTICLE 33 LEGACY RETIREE HEALTHCARE PREMIUM SUBSIDY AND REIMBURSEMENT PLAN

On April 17, 2023, the Ventura County Employees' Retirement Association ("VCERA") Board of Retirement took action by resolution ("Resolution") to exclude all or a portion of the Flexible Credit Allowance from compensation earnable for legacy (non-PEPRA) retirement plan participants. Accordingly, the County shall implement a Retiree Medical Expense Reimbursement Plan (i.e., Health Reimbursement Arrangement or "HRA") as follows:

Eligibility

The parties agree that to be eligible for benefits under the Plan, employees must: (1) be eligible for a VCERA legacy (non-PEPRA) retirement plan; (2) have commenced employment with the County no later than April 16, 2023; and (3) and must retire from County service on or after July 30, 2020, and be an annuitant.

Retirees who retire on or after July 30, 2020, shall be eligible after the following have occurred: (1) the Board of Supervisors has approved this amendment to the MOA; and (2) the pension benefits are reduced pursuant to the Resolution. Eligible retirees shall not receive any benefits under this section prior to adoption of this agreement by the Board of Supervisors.

Definitions

Benefit means the monthly healthcare subsidy determined for and paid by the County each Plan Year to an eligible Participant of the Plan. Subject to the terms and conditions of the Plan, the Healthcare subsidy may be accumulated and carried forward and may be utilized for reimbursement of eligible healthcare expenses utilizing the County's approved administrative processes.

Eligible Healthcare Expenses means any eligible healthcare expenses which are permitted by IRS regulations for Health Reimbursement Accounts (HRA).

Retiree means any Employee or surviving beneficiary who has retired from a VCERA legacy plan (non-PEPRA) and who is receiving a retirement annuity benefit.

Surviving Beneficiary means a named VCERA spousal beneficiary who did not predecease the Retiree.

Participant means any retiree or surviving beneficiary of a retiree who meets the eligibility requirements of the Plan.

Plan Year means the period beginning on the first day of the calendar year and ending on the last day of the calendar year.

Period of Coverage means the period for which the plan will provide a Participant a healthcare subsidy and reimburse eligible healthcare expenses.

Claim Run-Out Period means the one-year (twelve-month) period after a Participant's death during which eligible expenses will be reimbursed from the Participant's HRA.

Forfeiture means the Participant's HRA balance which will revert to general plan assets after the Participant's death and the end of the Claim Run-Out Period.

Plan Benefits

The Plan will provide Participants a monthly healthcare Benefit that will be funded into an HRA upon the Participant's retirement from the County and the commencement of VCERA annuity payments. The maximum monthly Benefit shall be increased annually by a maximum of three percent (3%) based on changes to the Consumer Price Index (CPI) for the Los Angeles area for the previous twelve (12) months immediately before the new Plan Year (Indexing). If the CPI is zero (0%) or negative, the monthly benefit shall remain unchanged. For example, should the change in the CPI-Los Angeles area be 1.5%, the monthly Benefit shall be increased by 1.5% for the new Plan Year; and should the change in the CPI-Los Angeles be 3.5%, the monthly benefit shall be increased by the 3% maximum for the new Plan Year.

The plan shall also create individual Health Care Reimbursement Accounts from which eligible healthcare reimbursements will be made to Participants. Prior plan year available funds in Participant's HRA's will be rolled over and made available to each Participant each Plan Year. Participant's HRA funds will be forfeited and reverted to Plan general assets upon the Participant's death and the end of the Claim Run-Out period.

Administration and Financing

The County will administer the Plan and shall have the authority to exercise the powers and discretion conferred by the Plan and shall have such powers and authority necessary for the administration of the Plan.

Labor/Management Committee

The parties agree to utilize the existing Labor/Management Committee as described in Article 4 (Health Insurance), Sec. 405, of this Agreement to discuss matters related to the HRA Plan.

Amendment or Termination of HRA Subsidy

The County will provide 30 business days' notice to SPOAVC in the event it intends to amend the provisions of this section of this Agreement. The County agrees to engage in good faith bargaining with respect to any amendments to Article 33 – Legacy Retiree Health Reimbursement Arrangement.

In the event the plan is amended to eliminate or reduce the HRA subsidy, such an amendment will be for the calculation of prospective HRA subsidy accruals only. Active employees eligible for plan benefits upon retirement will receive the greater of an HRA subsidy in an amount which corresponds to the age and County service ~~in~~ as set forth

in Appendix A or Appendix B to this agreement at the time of the amendment indexed pursuant to the plan document, or an HRA subsidy in an amount which corresponds to the age and County service in Appendix A or Appendix B to this agreement at the time of retirement indexed pursuant to the plan document. Participants receiving the HRA subsidy at the time of the plan amendment shall continue to receive the HRA subsidy that is in place as of the date of the amendment. Future HRA subsidy amounts will be indexed in accordance with the terms of the amended plan document.

For example, assume the plan is amended July 1, 2024. On the effective date of the amendment to the Plan, employee A is 55 years old with 20 years of service. According to the plan then in effect (prior to the amendment), employee A is eligible for a subsidy of \$149 with their current age and years of service. Employee A retires 10 years later on July 1, 2034, at age 65 with 30 years of service. The amended plan at the time of retirement provides for an indexed subsidy of \$200 with their age and years of service at retirement. Therefore, employee A shall receive upon retirement the \$200 monthly subsidy instead of the \$149. However, if at the time of retirement, the indexed HRA subsidy is \$100/month (less than the amount prior to the amendment), the employee will get the greater amount of \$149/month.

Healthcare Subsidy Benefit

The Retiree monthly Benefit shall be based on the retiree's age and number of County years of service at time of retirement as reported by VCERA.

Effective the first month after adoption by the Ventura County Board of Supervisors but no earlier than the effective date of the Board of Retirement's Resolution (April 17, 2023), and effective the first full month after commencement of a retirement annuity under a VCERA legacy retirement plan, the Retiree monthly Benefit for plan year 2023 shall be the dollar amount that corresponds to the age and years of service as delineated in Appendix A or Appendix B to this Agreement.

In the event that a retiree's actual age or years of service combination does not appear in Appendix A or Appendix B, the nearest corresponding age or years of service which does appear on Appendix A or Appendix B shall be used to determine the retiree monthly benefit amount for the Plan Year 2023.

Example 1 Employee retires at age 70 with 30 years of service. The 2023 monthly retiree benefit amount shall be \$364.85, utilizing age 65 and 30 years of service on Appendix A.

Example 2 Employee retires at age 45 with 8 years of service. The 2023 monthly retiree benefit amount shall be \$59.10, utilizing 50 years of age and 10 years of service on Appendix A.

Example 3 Employee retires at age 67 with 45 years of service. The 2023 monthly retiree benefit amount shall be \$500.00, utilizing 65 years of age and 42 years of service on Appendix A.
