**DISCUSSION:**

I am requesting your support and approval for funding of 'Swap Meet Justice', a program by CLUE-VC, a non-profit 501(c)(3) organization, in the amount of \$50,000 each year for the next three fiscal years. Swap Meet Justice began in 2019 and became a cross sector collaboration of 40 different government agencies, nonprofits, service providers, and legal services to engage Ventura County residents and provide easy access to vital services and are provided free of charge to the community. Swap Meet Justice takes place every third Sunday of the month at Oxnard College and is staffed by trained volunteers and interns, with onsite interpretation in Spanish and Mixteco. Swap Meet Justice has been a consistent service for years now and has developed to become a trusted resource in the community, assisting over 500 Ventura County residents each month. In addition, Swap Meet Justice offers internships for High School and College students that want to get involved in the community or have an interest in a career in law, medicine, public health, or other fields, and gives students an opportunity to receive mentorship from local leaders and gain valuable hands-on experience.

To demonstrate the engagement, effectiveness, and need for Swap Meet Justice, below is data of new clients from agencies at the recent March 2023 swap meet:

- County of Ventura Farmworker Resource Program gained 196 new contacts
- County of Ventura Weights and Measures gained 150 new contacts
- County of Ventura Behavioral Health gained 50 new contacts
- Public Defender's Office conducted 8 onsite interviews for service
- Interface gained 60 new contacts and processed 13 new Medi-Cal applications
- Mixteco Indigena Community Organization Project (MICOP) gained 100 new contacts
- Westminster Free Clinic conducted 76 onsite blood pressure and diabetes screening tests
- 100 new inquires with local legal services.
