Dear supervisors

As a 30 year resident, of Ventura County, I beg you to do the right thing and vote no against this Oil settlement. Changing the word “must” to “when feasible” is not acceptable. We need to defend the 2040 General Plan and vote for people instead of Big Oil! The health and well-being of our citizens is at stake. Please do not compromise the safe future of our environment and county! Vote NO!

Karen Gerdt
