Dear Ms. Morales-McKinney:

Congratulations! The CoC Program is an important part of HUD's mission. CoCs around the country will continue to improve the lives of people experiencing homelessness through their local planning efforts and through the direct housing and service programs funded under the FY 2024 CoC Program Competition. Projects like those of your organization, funded through the CoC program, continue to demonstrate their value by improving accountability and performance every year.

The enclosure provides details about your organization's award(s) including: the name(s) of the individual project(s); the project number(s); and the specific amount(s) for each project. The Department's field office staff will notify you when they are available to process grant agreements; once all conditions are satisfied and the grant agreement is executed, your organization can expend the funds.

HUD commends your organization's work and encourages it to continue to strive for excellence in the fight to end homelessness.

Sincerely,
