CONTRACTOR shall attach a monthly schedule of the call days worked to the monthly invoice. Details relevant to tasks performed shall be reviewed and approved by the HOSPITAL Chief Executive Officer or HOSPITAL Chief Medical Director on a monthly basis and attached to the monthly invoice. The maximum amount to be paid under this paragraph for the period of January 1, 2024, through June 30, 2025, is one hundred seventy-six thousand seven hundred dollars (\$176,700) and one hundred seventeen thousand three hundred dollars (\$117,300) per fiscal year thereafter.
4. Reimbursable Expenses: CONTRACTOR shall be reimbursed up to one thousand dollars (\$1,000) per month for health care premiums. CONTRACTOR is required to submit separate standalone invoices for reimbursement of health care premiums and proof of payment documentation for those health care premiums. Health care premiums must not be combined-billed with services rendered invoices. The maximum amount to be paid under this paragraph for the period of January 1, 2024, through June 30, 2025, is eighteen thousand dollars (\$18,000) and twelve thousand dollars (\$12,000) per fiscal year thereafter.
5. Productivity: CONTRACTOR shall have the ability to earn compensation based on Work Relative Value Units (“Work RVUs”). Work RVUs are mutually agreed to be those Work RVUs defined by Centers for Medicare and Medicaid Services (CMS), Area 17, and published in the Federal Register, for work performed by the physician, exclusive of advanced practice providers and using Current Procedural Terminology (CPT) code modifiers as appropriate. Work RVUs used in this calculation shall be updated and become effective once the data is issued by Medicare and AGENCY’s reporting systems are updated.

CONTRACTOR shall receive additional compensation, calculated and paid quarterly, for clinical services delivered by CONTRACTOR. Work RVUs produced by CONTRACTOR under this Agreement shall be paid based on the following:

The following table reflects the baseline Work RVUs and maximum Work RVUs:

	Baseline Work RVU	Dollar per Work RVU	Maximum Compensation
FY 2023-2024 and Any Fiscal Year Thereafter	Above 875 WRVUs and up to 1500 WRVUs per Quarter	\$25	\$62,500

Work RVUs shall be paid at a rate of twenty-five dollars (\$25) per work RVU in excess of the baseline Work RVU amount up to sixty-two thousand five hundred dollars (\$62,500) per fiscal year. Calculation of total Work RVUs shall take place within thirty (30) days following the

end of the quarter.

Reports of Work RVU performance will be produced centrally as defined by AGENCY and will be distributed to CONTRACTOR. In the event that said Work RVU reports are not available in a timely manner and through no fault of CONTRACTOR, CONTRACTOR shall receive a payment of 1/4<sup>th</sup> of maximum Work RVU compensation, or fifteen thousand six hundred twenty-five dollars (\$15,625). Said payment shall be adjusted upon receipt of Work RVU data and payment adjustment, whether up or down, shall be made as soon as the data is available. Any repayment due to AGENCY shall be made within thirty (30) days of reconciliation of actual data. Work RVUs for work performed for additional compensation within AGENCY under separate/secondary contract(s) shall be deducted from the Work RVU totals prior to calculation of the Work RVU to be paid under this Agreement. CONTRACTOR shall communicate, in writing, the terms of all such secondary contracts to AGENCY for this purpose.

The maximum amount to be paid under this paragraph for the period of January 1, 2024, through June 30, 2025, is ninety-three thousand seven hundred fifty dollars (\$93,750) and sixty-two thousand five hundred dollars (\$62,500) per fiscal year thereafter.

6. CONTRACTOR shall devote an average of forty (40) hours per week for forty-six (46) weeks per fiscal year to the responsibilities described in Attachment I. If CONTRACTOR devotes less than forty-six (46) weeks in a fiscal year, compensation will be prorated to reflect the weeks worked.
7. To receive payments, CONTRACTOR must submit an invoice, within thirty (30) days of the end of the month of provision of service, to AGENCY. The invoice must set forth the date of service, description of services, number of hours, hourly rate, total amounts due for the month, name, address, taxpayer identification number, and signature. Invoices received more than thirty (30) days after the provision of service may be denied by AGENCY as late. AGENCY shall pay the compensation due pursuant to the invoice within thirty (30) days after receipt of a timely invoice.
8. If CONTRACTOR is under suspension from the Medical Staff or fails to report on a monthly basis the specific hours of service provided to AGENCY for a selected one (1) week period each month at the time payment is due, or if CONTRACTOR has not fully completed the proper documentation of the services provided, according to the bylaws and the rules and regulations of the Medical Staff of HOSPITAL, then monthly payment shall be withheld until the respective suspensions(s) are lifted, the documentation completed, or payment is authorized by the HOSPITAL Chief Executive Officer or HOSPITAL Chief Medical Director. The AGENCY shall pay no interest on any payment which has been withheld in this manner.
9. The compensation specified above shall constitute the full and total compensation from AGENCY for all services, including, without limitation, administrative, teaching, research, if required under this Agreement, and professional, to be rendered by CONTRACTOR pursuant to this Agreement. Inpatient attending rounds compensation is considered to be included within the compensation for surgical services.

10. Should AGENCY discover an overpayment made to CONTRACTOR, the overpayment amount shall be deducted from future payments due to CONTRACTOR under this Agreement until the full amount is recovered. Should deduction from future payments not be possible, CONTRACTOR shall repay any overpayment not deducted within thirty (30) days of demand by AGENCY.
11. The maximum amount (“MAXIMUM FEE”) to be paid under this Agreement for the period of January 1, 2024, through June 30, 2025, is eight hundred forty-one thousand nine hundred fifty dollars (\$841,950) and five hundred sixty thousand eight hundred dollars (\$560,800) per fiscal year thereafter.
