Ladies and Gentlemen:

Piper Sandler & Co. (the “Underwriter”) offers to enter into this Note Purchase Contract (the “Purchase Contract”) with the County of Ventura (the “County”) and the Ojai Unified School District (the “District”). The offer made hereby is subject to acceptance by the County and the District by execution and delivery of this Purchase Contract (the “Purchase Contract”) to the Underwriter at or prior to 11:59 p.m., California time, on the date hereof, but it shall be irrevocable until such time as it is sooner accepted or rejected by the County and the District. Upon acceptance of this offer by the County and the District in accordance with the terms hereof, this Purchase Contract will be binding upon the County, upon the District and upon the Underwriter.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, covenants and agreements hereinafter set forth, the Underwriter hereby agrees to purchase from the County for offering to the public, and the County hereby agrees, on behalf of the District, to sell to the Underwriter for such purpose, all (but not less than all) of the \$(PAR AMOUNT).00 aggregate principal amount of the District’s Ojai Unified School District 2023-2024 Tax and Revenue Anticipation Notes, Series A (the “Notes”) at the purchase price of \$[_____] (representing the principal amount of \$(PAR AMOUNT).00 [plus/less] [net] original issue [premium/discount] of \$[_____] , less an underwriter’s discount of \$[_____]). The true interest cost for the Notes is [_____] %.

The County and the District acknowledge and agree that the purchase and sale of the Notes pursuant to this Note Purchase Contract is an arm’s-length commercial transaction among the County, the District and the Underwriter, and the Underwriter is acting solely as an underwriter and principal in connection with the matters contemplated by and with respect to all communications under this Note Purchase Contract and is not acting as the agent or fiduciary of the County or the District or the County’s or the District’s advisor in connection with the matters contemplated by this Note Purchase Contract.

2. The Notes. The Notes shall be issued pursuant to Sections 53850 to 53858, both inclusive, of the California Government Code (being Article 7.6 of Chapter 4 of Part 1 of Division 2 of Title 5 of said Code, and in accordance with Resolution No. [] of the Board of Supervisors of the County, adopted on [September 12], 2023 (the “County Resolution”), and with Resolution No. [] of the Board of Trustees of the District, adopted on August 9, 2023 (the “District Resolution” and, together with the County Resolution, the “Resolutions”). The Notes shall conform in all respects to the terms and provisions set forth in the Resolutions. U.S. Bank Trust Company, National Association has been appointed to act as the initial paying agent and registrar (the “Paying Agent”) with respect to the Notes pursuant to the County Resolution.

A single maturity of Notes shall be issued, dated the date of Closing (as defined herein), and the Notes shall mature on [], 2024, without possibility of prior redemption. The Notes shall bear interest at the rate of []% per annum, and shall have an initial price and yield of [] and []%, respectively. The Notes [satisfy the 10% Test][do not satisfy the 10% Test][are subject to Hold-The-Offering-Price Rule]. The Notes shall otherwise be as described in the Official Statement of the District with respect to the Notes, dated [], 2023.

As security for the payment of the principal of and interest on the Notes, the District covenants to deposit in trust for the registered owners of the Notes in a special account designated as the “Ojai Unified School District 2023-2024 Tax and Revenue Anticipation Note Repayment Account” (the “Repayment Account”) [(a)] an amount equal to [] percent ([]%) of the principal amount of the Notes [and the interest thereon] from the first Unrestricted Revenues (as defined in the District Resolution) to be received by the District during the period commencing on [], 20__ and ending on [], 20__[, (b)] an amount equal to [] percent ([]%) of the principal amount of the Notes [and the interest thereon] from the first Unrestricted Revenues to be received by the District during the period commencing on [], 20__ and ending on [], 20__ [and (c)] an amount equal to [] percent ([]%) of the principal amount of the Notes and the interest thereon from the first Unrestricted Revenues to be received by the District during the period commencing on [] and ending on []. In the event that there have been insufficient Unrestricted Revenues received by the District by the end of any such period, then the amount of any deficiency in the Repayment Account shall be satisfied and made up from the first Unrestricted Revenues thereafter received by the District.

A single certificate for the Notes shall be prepared and delivered as described in Section 9 hereof, registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, NY (“DTC”), and shall be made available to the Underwriter for inspection at such place as may be mutually agreed to by the Underwriter and the District, not less than one business day prior to the Closing. The Underwriter shall order CUSIP identification numbers and the District shall cause such CUSIP identification numbers to be printed on the Notes, but neither the failure to print such number on any Note nor any error with respect thereto shall constitute cause for a failure or refusal by the Underwriter to accept delivery of and pay for the Notes in accordance with the terms of this Purchase Contract.

3. Establishment of Issue Price. (a) The Underwriter agrees to assist the District in establishing the issue price of the Notes and shall execute and deliver to the District at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit A, with such modifications

as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel (as defined herein), to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Notes. All actions to be taken by the District under this section to establish the issue price of the Notes may be taken on behalf of the District by the District's municipal advisor, Dale Scott & Company (the "Municipal Advisor"), and any notice or report to be provided to the District may be provided to the District's Municipal Advisor.

(b) Except as otherwise set forth in Section 2, the District will treat the first price (meaning single) at which 10% of the final (and only) maturity of the Notes (the "10% test") is sold to the public as the issue price of the Notes. At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the District the price at which it has sold the Notes to the public. If at that time the 10% test has not been satisfied as to the Notes, the Underwriter agrees to promptly report to the District the prices at which it sells the unsold Notes to the public. That reporting obligation shall continue, whether or not the Closing Date (as defined herein) has occurred, until the 10% test has been satisfied as to the Notes or until all Notes have been sold to the public.

(c) The Underwriter confirms that it has offered the Notes to the public on or before the date of this Purchase Agreement at the offering price (the "initial offering price"), or at the corresponding yield, set forth in Section 2 hereof, except as otherwise set forth therein. Section 2 also sets forth, as of the date of this Purchase Agreement, the Underwriter's representation as to whether (i) the 10% test has been satisfied (assuming orders are confirmed by the end of the day immediately following the day of execution of this Purchase Agreement) or (ii) the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public as of the sale date as the issue price of the Notes (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to the Notes, the Underwriter will neither offer nor sell unsold Notes to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the Underwriter has sold at least 10% of the Notes to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the District when it has sold 10% of the Notes to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(d) The Underwriter confirms that any selling group agreement and any retail distribution agreement relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Notes allotted to it until it is notified by the Underwriter that either the 10% test has been satisfied as to the Notes or all

Notes have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Underwriter. The District acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Notes to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, if applicable, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a retail distribution agreement was employed in connection with the initial sale of the Notes to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the retail distribution agreement and the related pricing wires.

(e) The Underwriter acknowledges that sales of any Notes to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(1) “public” means any person other than an underwriter or a related party;

(2) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Notes to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Notes to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Notes to the public);

(3) a purchaser of any of the Notes is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and

(4) “sale date” means the date of execution of this Purchase Agreement by all parties.

4. Offering. The Underwriter agrees to make a bona fide public offering of all the Notes. The County hereby ratifies, approves, and confirms the distribution of the County Resolution, and the District hereby ratifies, approves, and confirms the distribution of the Preliminary Official Statement of the District with respect to the Notes, dated [____], 2023 (together with the appendices thereto, any documents incorporated therein by reference, and any supplements or amendments thereto, the “Preliminary Official Statement”), in connection with the public offering and sale of the Notes by the Underwriter. The District hereby agrees to deliver or cause to be delivered to the Underwriter, within seven business days after the date hereof, copies

of the Official Statement, consisting of the Preliminary Official Statement with such changes as may be made with the approval of the District and the Underwriter (the “Official Statement”), in such reasonable quantity as the Underwriter shall request.

The Underwriter hereby represents that it has received and reviewed the Preliminary Official Statement, and agrees that it will provide, consistent with the requirements of Municipal Securities Rulemaking Board (“MSRB”) Rule G-32, for the delivery of a copy of the Official Statement to each customer who purchases any Notes during the underwriting period (as such term is defined in MSRB Rule G-11), and to deliver a copy of the Official Statement to a national repository on or before the date of Closing, and otherwise to comply with all applicable statutes and regulations in connection with the offering and sale of the Notes, including, without limitation, MSRB Rule G-32 and 17 CFR Section 240.15c2-12, promulgated by the Securities and Exchange Commission (“Rule 15c2-12”).

The Underwriter hereby agrees that prior to the time the final Official Statement is available, the Underwriter will send to any potential purchaser of the Notes, upon request, a copy of the most recent Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail (or other equally prompt means) not later than the first business day following the date upon which each such request is received.

5. Representations and Agreements of the County. The County represents to and agrees with the Underwriter that, as of the date hereof and as of the date of the Closing:

(f) To the best knowledge of the County, there is no litigation pending (with the County having received service of process) or threatened against the County concerning the validity of the Notes, the existence of the County or the entitlement of the respective officers of the County who shall sign any documents and certificates to be executed in connection with the delivery of the Notes, to their respective offices.

7. Representations and Agreements of the Underwriter. The Underwriter represents to and agrees with the District and the County that, as of the date hereof and as of the date of the Closing:

(a) The Underwriter is duly authorized to execute this Purchase Contract and to take any action under this Purchase Contract required to be taken by it.

(d) The Underwriter has reasonably determined that the District's undertaking pursuant to Sections 6(f) and 8(m) hereof to provide continuing disclosure with respect to the Notes is sufficient to effect compliance with Rule 15c2-12.

8. Conditions to Closing. At or before Closing, and contemporaneously with the acceptance of delivery of the Notes, and the payment of the purchase price thereof, the District will provide to the Underwriter:

(a) a certificate of the District, signed by an official of the District, dated the date of the Closing, to the effect that (i) as of the date of the Closing, all of the representations of the District contained in this Purchase Contract are true, and that the District Resolution is in full force and effect and has not been amended, modified or rescinded, (ii) as of the date of the Closing, there is no litigation pending or to the best of the knowledge of the District, threatened concerning the validity of the Notes, the corporate existence of the District, or the entitlement of the respective officers of the District who
