The validity of this Agreement and any of its terms or provisions, as well as the rights and duties of the Parties under this Agreement, shall be construed pursuant to and in accordance with the laws of the State of California not including its rules on conflicts of laws, and venue for any action brought with respect to any claims arising out of this Agreement shall be brought exclusively in the California Superior Court for Ventura County. The venue for any legal action in Federal court filed by either Party to this Agreement for the purpose of interpreting or enforcing any provision of this Agreement lying within the jurisdiction of the Federal courts shall be the Central District of California.
- B. Applicable Federal Law. CONTRACTOR shall comply with all applicable federal waivers, laws, regulations, and published guidelines (including without limitation all applicable subregulatory guidance, contract provisions, policy letters, procedures, rules, ordinances, directives, manuals, information notices, and any amendments or changes thereto) to the extent that these authorities contain requirements applicable to CONTRACTOR's performance under this Agreement. Prior to being compensated for any work that has lost program authority, DHCS must first adjust payments to remove costs that are specific to any State program or activity receiving FFP that is no longer authorized by law. If CONTRACTOR works on a State program or activity receiving FFP that is no longer authorized by law after the date the legal authority for the work ends, then CONTRACTOR will not be paid for that work. If COUNTY has paid CONTRACTOR in advance to work on a no-longer-authorized State program or activity receiving FFP and under the terms of this Agreement the work was to be performed after the date the legal authority ended, then CONTRACTOR agrees to return all payments for that work. However, if CONTRACTOR worked on a State program or activity receiving FFP prior to the date legal authority ended for that State program or activity, and COUNTY included the cost of performing that work in its payments to CONTRACTOR, then CONTRACTOR may keep the payment for that work even if the payment was made after the date the State program or activity receiving FFP lost legal authority. COUNTY will use its best efforts to provide CONTRACTOR with timely notice of the loss of program authority.

CONTRACTOR shall comply with all California laws, regulations, State plan, and published guidelines (including without limitation all applicable subregulatory guidance, contract provisions, policy letters, procedures, rules, ordinances, directives, manuals, Mental Health and

H. It is the responsibility of CONTRACTOR to confirm that all terms and conditions of the Insurance Provisions are complied with by any and all subcontractors that CONTRACTOR may use for the completion of this Agreement.

I. Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve CONTRACTOR for liability in excess of such coverage, nor shall it preclude COUNTY from taking such other actions as are available to it under any other provisions of this Agreement or otherwise under the law.

J. CLAIMS MADE INSURANCE. If the Professional Liability coverage is "claims made," CONTRACTOR must, for a period of three (3) years after the date when this Agreement is terminated, completed or non-renewed, maintain insurance with a retroactive date that is on or before the start date of contract services or purchase an extended reporting period endorsement (tail coverage). For subcontractors that do not perform satisfactorily, CONTRACTOR will remedy the noncompliance in a manner acceptable to COUNTY. Noncompliance may be remedied through a plan of correction or by revoking the delegation of activities, obligations, or reporting requirements. COUNTY may also deny payment to or withhold funds from CONTRACTOR as a result of any noncompliance.

During the performance of this Agreement, CONTRACTOR and its subcontractors will not discriminate against any employee or applicant for employment because of any of the protected categories listed within the California Government Code section 12940. The CONTRACTOR and its subcontractors will take affirmative action to ensure that qualified applicants are employed, and that employees are treated during employment, without regard to their membership in the protected categories listed in California Government Code section 12940. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and career development opportunities and selection for training, including apprenticeship.
