Hello, my name is Cherise Alvarez a senior early interventionist in Ventura County. I have serviced low income families in this county for 12 years and this resource for our families has made one of the biggest impacts thus far. Families have been able to provide new opportunities for their young ones, pay for additional services that are not covered under insurance, purchase educational toys that are used in therapy and overall it has reduced stress in the home. Please continue to support item 73 as it has changed the outcome of multiple families and lives.
