### 1. Rate Rules for Staff

- 1.1 **Overtime.** Overtime pay rate is equal to one and one-half (1.5) times the regular rate for applicable shift for hours worked over forty (40) within a designed workweek. For regular scheduled shifts of twelve (12) hours, overtime pay rate will not apply for work in excess of twelve (12) hours per shift unless the hours exceed forty (40) hours within a designed workweek.
- 1.2 **Holidays.** Work performed on New Year's Day, Martin Luther King Jr. Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day will be invoiced at a premium Holiday rate of one and one-half (1.5) times the regular rate. Holidays will be the twenty-four hours beginning at midnight of the holiday and end at 11:59 PM of the holiday.
- 1.3 **Standby Premium Pay.** County will pay for "scheduled/formal standby" hours, defined as hours where the Staff is not required to stay on the facility's premises, at the rate not to exceed nine dollars (\$9.00) per hour, unless applicable law mandates otherwise, in which case County will pay for such hours in accordance with applicable law. If Staff is called back to work for County while serving in a "scheduled/formal standby" capacity, the "scheduled/formal standby" charge will cease, and Client will instead pay Contractor the applicable rate for the duration of the call-back period. The minimum call-back period is two (2) hours. No Staff shall be paid for call-back time and "scheduled/formal standby" simultaneously. There is no "volunteer standby" status. Call-back Premium Pay will be one and one-half (1.5) times the regular rate.
- 1.4 **Missed Meal or Break Premium Pay.** A Staff who misses a meal break or rest break is entitled to an additional hour of pay at the regular rate of pay for each break missed up to a maximum of two (2) hours of additional pay on any given day.

- 1.6 **Conversion/Placement Fee Stipulation.** The following Conversion Fees apply to Direct Client Employment, as defined in Section 3.4 of the Agreement:

Conversion Rate - % of First Year Earnings pursuant to Direct Client Employment	Straight Time Hours Worked and Billed to County by Contractor Prior to Direct Client Employment
20% of first year salary, waived after completion of 13-week assignment	468 hours

\*Conversion fee will be waved when contractor is provided directly by Ventura County

- 1.7 **Charge.** Work performed by clinical Staff when working in a Charge Nurse capacity will be billed at the applicable rate plus \$5.00 per hour.
2. **Short Term Staff (Per Diem/Daily Registry Staff):** For Staff appointed for per diem/daily registry engagements the following terms and conditions apply:
  - 2.1 **Cancellation Policy.** Contractor and County agree to a two (2) hour cancellation policy. If County cancels a scheduled shift less than two (2) hours prior to the start of the shift or with less than two (2) hours' notice during the shift, County will be billed for two (2) hours plus any time worked.
  - 2.2 **"Late Call".** When County requests Staff less than one (1) hour prior to the scheduled start of a shift, County will be billed for that Staff from the scheduled start of the shift, provided Staff actually reports to and commences work within one (1) hour of the start of the shift. If Staff actually reports to and commences work later than one (1) hour of the start of the shift, County will only be billed for all actual hours worked. If Staff is requested after the start of the shift, County will be billed for that Staff from the time the request was made, provided Staff actually reports to and commences work within one (1) hour of the time of the request.
  - 2.3 **"In-Shift Cancellation".** If Staff is no longer needed by County after reporting for work, they may be called off by County. If Staff is called off by County, County shall be billed for the actual number of hours worked by Staff or four (4) hours, whichever is greater, per the rate structure applicable to that Staff.
3. **Long Term Staff (Travel RN Staff):** For Staff appointed for travel RN engagements the following terms and conditions apply:

Should County not provide a Staff the minimum hours, County will be invoiced and shall pay the applicable rate set forth above for all hours below the minimum for such Staff. County does not pay for shifts when Staff calls out sick, and the hours reported as sick will be applied to calculate the minimum work week. If County has an available make-up shift, it may be offered to the Staff to make up for the hours missed while sick.
  - 3.2 **Overstaffing.** Contractor will cancel agency personnel at County's request for overstaffing with at least seven (7) days written notice without a penalty to County.
