Dear Members of the Board,

I am writing to express my wholehearted support for the proposal to name the upcoming Oxnard Family Justice Center after my beloved sister and former Chair of the Ventura County Board of Supervisors, Carmen Ramirez.

I believe that Carmen's significant contributions, dedication, and impact on our community make her an exceptional candidate for this honor. Her lifelong commitment to public service and tireless efforts to uplift and empower those around her deserve to be recognized and celebrated. I can't think of a more appropriate recognition than the naming of the Carmen Ramirez Family Justice Center right in the heart of her favorite city, Oxnard, California.

I, my sisters, brothers, nieces, and nephews are confident that naming this building after Carmen will be a fitting tribute and a testament to her outstanding contributions, serving as a perpetual reminder of her unwavering commitment to social justice, community engagement, and empowering the marginalized. Furthermore, it would create a legacy that celebrates her life's work and inspires others to make a positive impact on our community.

Thank you for your time and consideration, and I trust that you will make the right decision in recognizing the invaluable contributions of my sister Carmen.

Respectfully,

Maria Ramirez
